The Tempe and Scottsdale Crime Free Multi-Housing Programs are designed to help owners and the managers of rental properties keep drugs and other illegal activity off their property. The purpose of this program is to educate the owner, managers, and their tenants to improve the livability of the neighborhoods by reducing crime.

All property owners, managers, rental community staff and anyone else in charge of the day to day operations of the rental community are strongly encouraged to sign up for the Crime Free Multi-Housing Program.
