

Memorandum

Water Utilities Department

Date: June 29, 2009
To: Mayor and Council
From: Don Hawkes - Water Utilities Manager (X-2660)
Through: Jeff Kulaga – Assistant City Manager (X-8844)

Subject: Maricopa County Air Quality Presentation

Fulton Brock, Maricopa County Supervisor and Lawrence Odle, Director of the Maricopa County Air Quality Department will be attending the July 2, 2009 Council Issue Review Session to provide an informational presentation and overview of the County air quality program, including the new dust control efforts that require City and County cooperation. The Maricopa County Board of Supervisors is the governing body of the Air Quality Department. In addition, County air quality vehicles and equipment will be available for public viewing outside the Council chambers.

If you have any questions regarding this presentation please call me at 480-350-2660.
