

| <b>ENGINEERING/TRAFFIC ENGINEERING FEES</b>                                      | <b>Effective 07/01/09</b>      |
|--|--------------------------------|
| <b>MOTOR VEHICLES AND TRAFFIC</b>  |                                |
| <b><i>Special Permits for Overweight/Overheight Vehicles</i></b>                 |                                |
| Application fee for excess size  | \$15.55                        |
| plus, each 30-day permit issued for excess size                                  | \$31.05                        |
| Each permit issued for excess weight   | \$25.90                        |
| plus, each 30-day permit issued for excess weight                                | \$51.75                        |
| <b><i>Special Permit for Hauling Waste Material</i></b>                          |                                |
| Special permit for hauling construction waste fill or waste excavation material: |                                |
| Under 5,000 cubic yards or less than ten (10) days in duration                   | no charge                      |
| Over ten (10) days in duration and less than 5,000 cubic yards                   | \$552.25                       |
| 5,000 to 10,000 cubic yards  | \$552.25                       |
| Greater than 10,000 cubic yards  | \$2,208.90                     |
| <b>ENGINEERING PLAN CHECK FEES</b>   |                                |
| <b><i>Review of grading, drainage, paving, water and sewer plans</i></b>         |                                |
| First and second-plan review, inclusive per sheet/discipline                     | \$425.25                       |
| Third and subsequent reviews and revisions per sheet/discipline                  | \$320.35                       |
| Expedited plan review (less than 15 days)/per sheet/discipline                   | \$850.50                       |
| Drainage report review per report  | \$552.25                       |
| Approved plan renewal prior to permits issued                                    | 25% of original plan check fee |
| <b><i>Review public utility plan</i></b>   |                                |
| First and second-plan review, inclusive per sheet/discipline                     | \$259.60                       |
| Third and subsequent reviews and revisions per sheet/discipline                  | \$154.75                       |
| Expedited plan review (less than 10 days)  | \$519.20                       |
| Review of plans and inspection of service drops per service drop                 | \$51.75                        |
| Cabinet greater than 30 inches per cabinet/location                              | \$165.70                       |
| <b><i>Capital Improvement Program Plans</i></b>                                  |                                |
| Engineering plan check & engineering permits                                     | 1% of construction costs       |
| Two-person survey crew/hour  | \$130.00                       |
| Three-person survey crew/hour  | \$195.00                       |
| <b>ENGINEERING PERMIT INSPECTION AND TESTING</b>                                 |                                |
| Materials Testing base fee   | \$155.25                       |
| First 6 month renewal  | 25% of original permit fee     |
| Second and subsequent 6 month renewal  | 100% of original permit fee    |
| <b><i>Water Inspection and Testing</i></b>                                       |                                |
| Water mains per linear foot  | \$2.15                         |
| Water services (each)  | \$37.65                        |
| Fire hydrants (each)   | \$70.75                        |
| Tap, sleeve & valve (each)   | \$121.55                       |
| Pipe encasement (in 20 lf sections) (each)                                       | \$22.15                        |
| Boring pit (each)  | \$60.85                        |
| Valve cluster (each)   | \$243.05                       |
| Pavement cut/concrete work per permit  | \$446.80                       |
| "+" pavement cut/concrete work if length exceeds 300 lf (per sq ft)              | \$2.65                         |
| Trench (no pavement cut) if $\leq$ 300 lf (permit)                               | \$307.85                       |
| "+" trench (no pavement cut) additional lf > 300 lf (per lf)                     | \$1.30                         |
| Pothole (each) - a minimum of five (5)   | \$33.20                        |
| Over-the-counter emergency water permit  | \$150.00                       |

|   |          |
|---|----------|
| <b><i>Underground Fire Inspection and Testing</i></b>               |          |
| Fire sprinkler connection per linear foot                           | \$0.90   |
| Boring pit (each)   | \$60.85  |
| Tap, sleeve & valve (each)  | \$121.55 |
| Valve cluster (each)  | \$243.05 |
| Pothole (each) - a minimum of five (5)                              | \$33.20  |

| Easement dedication  | \$150.00                     |
| <b>Re-testing and Inspection</b>                                   |                              |
| Water re-test - bacteria and chlorine per sample point             | \$149.15                     |
| Inspection (charge-out rate) per hour (1 hr min)                   | \$88.40                      |
| Refill - 6" water line per lf (x2)                                 | \$0.00185                    |
| or minimum   | \$5.60                       |
| Refill - 8" water line per lf (x2)                                 | \$0.00315                    |
| or minimum   | \$5.60                       |
| Refill - 12" water line per lf (x2)                                | \$0.00710                    |
| or minimum   | \$5.60                       |
| Pressure testing/retesting (each)                                  | \$356.25                     |
| Sewer and storm drain re-t.v. pipe per hour (1 hr. min)            | \$99.50                      |
| <b>ABANDONMENTS &amp; ENCROACHMENTS</b>                            |                              |
| <b>Abandonments</b>  |                              |
| Public right-of-way abandonment processing fee (each)              | \$828.40                     |
| <b>Encroachments</b>   |                              |
| Encroachment Permits - non-commercial (each)                       | \$165.70                     |
| Encroachment Permits - commercial (each)                           | \$662.70                     |
| (above two items include environmental monitoring well leases)     |                              |
| <b>LICENSE FOR SPECIAL USE</b>                                     |                              |
| Obstruction/Encroachments  |                              |
| At Grade (at ground level)   | 7% of appraised market value |
| Below Grade (below ground level)                                   | 7% of appraised market value |
| Above Grade (above ground, sidewalk or street)                     | 4% of appraised market value |
| <b>SALE OF ENGINEERING AND GIS RECORDS</b>                         |                              |
| <b>Plots - sizes 8 1/2" x 11" (letter) and 11" x 17" (tabloid)</b> |                              |
| Two (2) or less plots (non-commercial use) (each)                  | no charge                    |
| Three (3) or more plots (non-commercial use) (each)                | \$1.15                       |
| Any number of plots (commercial use) (each)                        | \$11.15                      |
| As-built plan sheet (each)   | \$1.15                       |
| <b>Plots - larger than 11" x 17" up to 36" wide</b>                |                              |
| City map of landbase, survey, water, sewer, etc. (each)            | \$5.60                       |
| Quarter section map of landbase, aerial or utilities (each)        | \$11.10                      |

|   |          |
|---|----------|
| Conversion of paper map to mylar (per sq. ft.)  | \$4.15   |
| As-built plan sheet (each)  | \$11.10  |
| Each custom plot (each)   | \$11.10  |
| "+" per linear foot or fraction of paper over three feet  | \$5.60   |
| <b>Digital Data</b>   |          |
| Quarter section in MicroStation DGN format - Landbase (each)  | \$331.40 |
| Quarter section in MicroStation DGN format - Single Utility (sewer, water, drainage or improvements) (each) | \$110.50 |
| Quarter section in MicroStation DGN format - Landbase and all utilities (each)                              | \$607.45 |
| Quarter section aerial in Intergraph COT format (each)  | \$33.20  |
| As-built plan sheet image in B&W TIFF format (each)   | \$1.15   |
| <i>Custom output in MicroStation DGN format</i>   |          |
| Setup for location per occurrence   | \$110.50 |
| "+" per vertex over (8) fence vertices  | \$5.60   |
| Landbase per 10,000 sf or fraction  | \$1.70   |
| Single utility per 10,000 sf or fraction  | \$0.65   |
| Landbase & all utilities per 10,000 sf or fraction  | \$3.05   |
| Minimum purchase of custom output (each)  | \$220.95 |
| <i>Format translation of city provided data files-prices in addition to source data files</i>               |          |
| Setup for translation per occurrence  | \$55.25  |
| MicroStation DGN file to AutoCAD DWG or DXF file  | \$22.15  |
| Intergraph COT file to TIFF or JPEG file  | \$22.15  |
| Minimum purchase of translation services (performed using default settings of translation software)         | \$110.50 |
| CD media data (each if occurring purchase is under \$100.00)  | \$1.15   |
| Tempe Supplement to MAG   | \$155.25 |
