

# SUCCEED IN TEMPE, ARIZONA

Running a business requires intelligence, persistence, savvy, instincts and above all, knowledge and partnerships. In Tempe, we strive to help our businesses prosper by providing the tools they need most.

Whether you are expanding, relocating or opening your first business, the Tempe Economic Development team can give you a head start toward success.

The Tempe Economic Development team can assist with:

- + Locating a site for your project
- + Determining eligibility for Tempe's Enterprise Zone credits
- + Permit entitlement assistance for new developments
- + Facilitating connections to state resources and incentives
- + University connections for interns, research and partnerships
- + Assisting with corporate partnerships and introductions to community leaders

In Tempe, we believe our businesses are our partners in building a vibrant community and a strong future. Visit [www.tempe.gov/business](http://www.tempe.gov/business) or call 480-350-8812 to discover how we can succeed together.
