

Transportation Commission

(City Code Chapter 2, Art. V, Div. 8)

The Transportation Commission advises and makes recommendations to the City Council and assists City departments and the City Manager regarding:

- a balanced transportation system within Tempe which incorporates all forms of transportation in a unified, interconnected manner and complements land use, making a positive environmental impact through reduction of energy consumption, air pollution and congestion, while promoting economic development and providing mobility for all persons, including elderly and disabled;
- appropriate performance standards and benchmarks for use in evaluating the City's transportation system and program;
- transportation plans, projects and ordinances;
- elements of prioritized, unified operating and capital improvement program budgets for transportation;
- providing a forum for public hearings and other public involvement mechanisms to assure community-based transportation plans, projects and issues, and to meet all federal and other guidelines where applicable.

The Transportation Commission has fifteen (15) members. Members must be **Tempe residents** and may include at least two neighborhood association representatives, one member of the transportation profession, one chamber of commerce representative, and one transportation management association or large employer representative. The members of the Transportation Commission are appointed for a term of three years. The Commission usually meets monthly throughout the year on the second Tuesday of every month at 7:30 p.m., at City Hall.
