

Committee for Youth, Families & Community

The Committee for Youth, Families and Community was established in 1996 as a result of the merger between the Tempe Alliance Against Drugs and the Mayor's Committee on Gangs. The membership consists of a broad cross-section of community representation that includes members from school districts, Arizona State University, nonprofit and government agencies, faith-based and cultural groups, businesses and residents. The committee's goals are to recommend effective practices for current issues facing Tempe residents, to support programs to serve youth, families and the community, to strengthen links between the community service system, nonprofit and government agencies, schools and businesses, and to bring the needs of the citizens to the attention of the City Council.

The Committee for Youth, Families and Community meets the third Monday of each month from 9:30 to 10:30 a.m. in the Tempe Public Library.
