Living in Arizona we all have to worry about sun exposure and skin damage, especially those employees who work outdoors. This program will focus on skin cancer, preventing the aging of your skin through proper care, and how to select proper treatments and physicians.

Lunch will be provided.

Please RSVP to Brandy Naleski at x2905 or send an email to:

While this event focuses on women's issues,
all employees are welcome to attend.

Presented by the City of Tempe Diversity Department and the Diversity Steering Committee. The goal of WIN is to create a healthy network to assist women in succeeding in their careers with the City of Tempe.
