

CLEAN-UP PLAN

You must submit a clean-up plan with your Special Event application. The clean-up plan must include the following information:

- A drawing or site map of the festival or event area, showing the types and locations of dumpsters and individual trash receptacles;
 - The names and contact information of individuals and/or groups responsible for cleaning up during and after the festival or event;
 - The location(s) where all waste, including cooking oils and gray water, will be disposed of in an approved manner.

NOTE: Anyone who disposes of cooking oils, waste or gray water into storm drain sewers or sidewalk openings will be subject to fines and punishments pursuant to Tempe City Code Chapter 12 Article VI. Storm Water Pollution Control Sec. 12-125. Prohibition of non-storm water discharges to the public storm drain system and Sec.- 149. Civil penalties.

If an event producer fails to clean up a venue adequately or causes damage to City of Tempe property or facility, the City of Tempe will bill the event producer for its costs to clean and repair the damaged property. If this occurs, the City of Tempe may also deny an application for a future Special Event Permit.

Event producers are responsible for prompt cleanup and removal of debris from all City of Tempe streets, right of ways, affected property owners’ sidewalks, steps and alcoves including time after event tear down is complete. Event producers are responsible for clean-up from when the set up begins until tear down crews have finished and have vacated the park.

Subject to their availability, the City of Tempe may be able to provide the following list of cleaning equipment and services to events for the rates quoted:

300 Gallon Refuse Can.....	\$6.00
95 Gallon Recycle Can.....	\$4.50
