

EMS coverage may be required for special events with the following guidelines:

- To ensure that patrons attending a particular festival or special event are provided sufficient emergency medical coverage;
- City of Tempe EMS will assist event producers to determine staffing required, based on the expected number of patrons, special need concerns, risk factors and the nature of the event;
- City of Tempe EMS reserves the right to refuse coverage at an event if minimal staffing requirements are not mutually agreed upon, or if inadequate notice is given regarding coverage needs.

Anyone requesting/required to have the City of Tempe EMS will be asked to enter into a contract with the City of Tempe that defines the dates, times and number of units that will be needed. It should also set forth the costs for those services. Stand-by service will not be offered. You will be billed for EMS.
