Fire Prevention Educational Vehicle
308.08
Rev 03-25-05

PURPOSE

The purpose of this vehicle is to aid the Public Education Division in their educational efforts to promote fire and life safety messages at various events and functions throughout the city.

PROCEDURE

The vehicle shall be used for the following types of events; school programs, health and safety fairs (exterior events), special city events, fire department sponsored events, and city sponsored parades, and any other functions deemed appropriate by the Fire Marshal.

Magnetic (only) signs depicting various messages shall be attached to the vehicle so that people will be able to view various fire/life safety messages.

Those businesses and organizations that assist in sponsoring this vehicle shall have their name and/or business logo displayed at each event while the vehicle is on display.

The Public Educational Specialist's shall be responsible for the scheduling of the vehicle and securing personnel to attend to the vehicle while it's on display. Additionally, they will determine as to whether the request meets the criteria for the proper display and use of the vehicle.

The Fire Prevention staff shall be responsible for getting the vehicle to and from each event. Further, Fire Prevention will ensure that the vehicle is clean and ready for each public display.
