

Black Bird Exhibition & Bazaar

Dec. 7-Jan. 4

Bird by Sherrie Zeitlin

Celebrate the season at an exhibition with a twist - a fine art show and holiday shopping bazaar rolled into one. Guests have the opportunity to purchase hand-made gifts, original design items and unique artworks made by local artists. The exhibition and bazaar highlight some of the many Arizona artists who have shown in the Gallery at TCA over the past six years. Bazaar items include small and large artworks, limited edition prints, home décor, jewelry, clothing and other holiday gifts. Purchases from the exhibition and bazaar are available at time of sale.
