Get Help With Your Yard

The City of Tempe has negotiated great rates with two landscaping companies. Take advantage of the city's contract to keep your yard looking spiffy and to keep it in compliance with Tempe's City Codes.

Rates vary depending on the size of a yard and whether it is grass or desert landscaping, but prices start as low as \$36.52 a month. These rates are generally lower than what most people could get independently due to the quantity of work anticipated by the landscapers. Visit www.tempe.gov/code for a list of rates.

Residents using this service are requested to sign up for a year.

Note- the participating landscape companies are not employed by, or providing services on behalf of, the City of Tempe. Each company is an independent contractor that has agreed to perform certain landscape services for Tempe residents at a negotiated rate. Residents that desire to take advantage of these rates must contact the landscaping company of their choice directly.

Residents should request the Tempe Landscape Referral rate.

The City of Tempe is not party to any contract between the resident and the participating landscape company. The City of Tempe does not guarantee or warranty the work of either of these companies in any manner.

Any billing or service related questions or concerns are to be addressed with the company selected by the resident chosen, not the City of Tempe. The City of Tempe is not responsible for resolving any issues that may arise out of a resident's use of one of the participating landscape companies. Residents are encouraged to use Yelp to rate the level of service they receive. These Yelp ratings will be one component reviewed when it is time to renew contracts with landscaping vendors.

Visit www.tempe.gov/code to review rules for maintaining a yard.

The landscape companies that have agreed to provide these services include:

Artistic Land Management, Inc.
