

In Stitches

Dec. 3, 2010, to March 7, 2011

“In Stitches” is an exhibition that highlights the whimsical and dramatic skills of contemporary quilt and fiber artists. Some of the work is inspired by traditional and historic quilts, other work is abstract and uses a variety of media. Some work depicts narrative scenes about daily life. The exhibition features fabric, machine embroidery, watercolor, photo transfers, hand stitching, weaving and more.
