

Materials for Drawing: Color/Black & White

The materials for this class are determined by the individual student. However, the choice must be a drawing medium, not painting, unless it is in combination as a mixed media application. A suggested materials list is provided below.

The class is an opportunity for the student to perhaps explore an unfamiliar medium or to hone a skill in a familiar medium. If not sure of the materials, please bring soft pencils (4B, 6B), drawing paper and a kneaded eraser to the first class and we will expand from there. By obtaining any or all of these materials before the first session, your first meeting will be much more productive.

If you have any questions, please call the Pyle Adult Recreation Center at 480-350-5211.

Suggested materials list for Drawing: Color/Black & White

If you are doing black & white drawing:

- pencils: 4B, 6B
- graphite
- kneaded eraser
- compressed charcoal (very soft, stick not pencil)
- pen: small nibbed fountain pen or marker (such as Pilot or Micron)
- drawing ink: black or sepia
- brush: soft watercolor type, large and cheap
- paper: newsprint (pad or loose, at least 18x24)
- charcoal paper: one sheet, Canson brand, muted color of choice
- sketch book
- Exacto knife

If you are doing color drawing:

- Prismacolor pencils (at least a set of 12 or as large as can be afforded). Prismacolor is preferred and highly recommended.
- paper: one pad of Bristol board (regular or vellum) and a small pad of Canson Mi-tiente colored charcoal paper.
- plastic eraser and/or battery operated electric eraser
- not required, but you may want to also bring the following:
 - drawing board with clip
