Speaker: David Lucier, Founder
Arizona Veterans & Military Leadership

Alliance

There are veterans in our Tempe community from the World Wars, Korean, Vietnam, and most recently from Desert Storm and the Iraqi War. With this influx of veterans we have an opportunity to learn more about who they are — past and present. David will discuss how our community can bridge the gap between the military and civilian cultures, including:

Why is this important?

Where are we now?

What is being done?

What does the future look like?

"Who's Your Neighbor?" is a series of presentations focused on learning about who lives, works, and plays in our Tempe Community. We all know our own culture and lifestyle, but do you know your neighbors?

PURPOSE: To create a better understanding of each other in an effort to eliminate biases and build community.
