If you have concerns regarding your child's progress or ability level, please discuss them with the instructor or pool manager. Fees for each class must be paid at the time of registration. A student may register for a maximum of one (1) learn-to-swim class using any of the registration procedures. A student may also register for special classes in addition to a swimming class. Students may register for additional learn-to-swim classes after they have completed a class. At the end of the seventh lesson each student will be provided with a skill progress sheet for the class in which he/she is currently participating and information on the next appropriate class. Students will only be permitted to register for the next level of class by providing their skill progress sheet with their registration form.
