

# Questor's Questions

## What can I See?

- What lines, shapes, colors, textures and forms in space do I see?
  - What evidence of tools, materials or processes do I see?
  - What else do I see?
- 

## What else can I learn?

- What is the environment like where it was made?
  - What was life like in the time and place where it was made?
  - Who made it? For whom?
  - What other background information would I like to know?
- 

## What does it mean?

- What did the artist want to do?
  - What feeling/s or idea/s do I get from it?
  - How do other people respond to it?
- 

## How does it compare?

How is it alike or different from other things in its category (for example, other paintings, sculptures, buildings. etc.)?
