

**Agency Contact Information Form
City of Tempe Human Service RFP
FY 2009/2010**

Tempe Community Council (TCC) requires ALL nonprofit agencies that are interested in applying for the City of Tempe Human Service RFP and Community Development Block Grant (CDBG) submit their most current contact information BEFORE they are allowed to access the application materials via the internet using the e-cimpact system.

Please complete this form and submit it to TCC by Oct. 13, 2008 if the agency is interested in applying for City of Tempe Human Service funds. Forms can be submitted by email, fax or mail.

TCC and the City of Tempe strive to make the Human Service application process accessible to all interested nonprofit agencies that provide human services to Tempe clients and residents. For any questions or concerns about the application or the e-cimpact system, please contact:
