Flooding Emergencies 24 Hour Hotline (480) 350-2834

For Billing, Account Status, Sure Pay or other payment methods, please call Customer Service (Monday - Friday from 8:00am to 5:00) at 480-350-8361

- Irrigation runs begin 10pm Sunday night and may include holidays. No water is delivered on weekends. To report flooding on weekends, please call SRP at 602-236-3333
- Prepare berms (earthen ridges of soil) to keep water in or out of specific areas. When properly constructed, berms should allow excess water to spill into a street or alley rather than enter the home or other structures on the property.
- Pets must have refuge from the area to be irrigated.
- Trim grass to less than six inches and remove debris from conduits under sidewalks and driveways
- Remove items from the yard that may be damaged by flood water.
- Provide clear access to the irrigation valve.
