RE: Preliminary Plat for 7-Eleven Location No. 13017
1006 South McClintock Drive

To Whom It May Concern:

The intent of this Preliminary Plat is to split an existing 48,242-sf/1.107-ac parcel currently Zoned as CSS into two separate parcels. Lot One will contain an area of 21,520 sf/0.494 acres and will include an existing 7-Eleven Store. Lot 2 will contain an area of 26,722 sf/0.613 acres and will be a vacant parcel.

Currently, there are no development plans in place; however, we hope to market Lot 2 as a vacant parcel to a user or developer interested in constructing a commercial building that will not compete with or have an adverse effect on the existing 7-Eleven Store. We hope that the future use of the vacant parcel would complement the adjacent 7-Eleven Store and be something useful and positive for the Don Carlos Neighborhood.
