WELCOME

TO THE MONTHLY MEETING OF THE

TEMPE HISTORIC PRESERVATION COMMISSION

The Tempe Historic Preservation Commission meets at 6:00 p.m. on the second Thursday of each month at Hatton Hall, 34 East 7th Street. The Tempe Historic Preservation Office prepares an agenda with supporting material for Historic Preservation Commission meetings. State law requires that commission agendas be publicly posted at least 24 hours prior to a meeting; however, Historic Preservation Commission agendas are usually available the Monday before the Thursday meeting. You can find Historic Preservation Commission agendas in the following locations: the City Clerk’s Office on the 2nd floor of City Hall, the Tempe Historic Preservation Office on the 2nd floor of the Orchid House, the bulletin board on the Garden Level outside of the City Council Chambers, and on the internet at http://www.tempe.gov/historicpres.

Historic Preservation Commission monthly meetings are always open to the public and are greatly enriched by community participation. The Commission welcomes the community perspective and schedules a “Call to the Audience” at the beginning of the meeting for the convenience of attendees who would like to have input but can not stay for the entire meeting. The Commission was created to advise Tempe City Council on matters concerning historic preservation and therefore providing citizens with opportunities to communicate comments and concerns is fundamental to the mission of the organization.

There are many ways to reach the Historic Preservation Commission during public meetings and at other times as well. Members of the public may come forward and talk with the Commission during the “Call to the Audience” at the beginning of each monthly meeting, however, Arizona Open Meeting Law limits commission discussion to matters listed on the posted agenda. Of course you can always request that an item be placed on the agenda for discussion at an upcoming Commission meeting.

If you know in advance that you want to address the Commission on a specific issue you can have the issue placed on the agenda for discussion and consideration as a Scheduled Public Appearance. Please contact the Historic Preservation Office no later than the Friday morning before the Thursday meeting.

Citizens can also contact the Historic Preservation Office to communicate with Commission members. The Tempe Preservation website is the Commission’s primary public outreach facility. From the site at http://www.tempe.gov/historicpres/ you will find up to date information on Tempe Preservation including announcements of meetings and events, agendas and minutes, and additional contact information. Please feel free to contact the Tempe Historic Preservation Office at 480.350.8870 or by email sent to joe_nucci@tempe.gov, or find us on Facebook at http://www.facebook.com/TempeHPO.

2) HPO

“At their meeting on September 13, 2012, the Historic Preservation Commission reached consensus to resume classification of Historic Eligible properties in accordance with Section 14A-4 of the Tempe City Code: “Designation of landmarks, historic properties and historic districts”. Since that time, HPC has classified 24 properties as Historic Eligible. On December 12, 2012, HPC discussed classification of the Arizona State University owned (1895/1931) Harrington-Birchett House, located at 202 E 7th St. in the MU-Ed (Mixed Use Educational) zoning district. This property was listed on the National Register in 1984, and therefor qualifies for local listing by ordinance. HPC elected to continue classification of this property pending additional research into the regulatory status of this property. In addition, staff has identified 6 properties from the area west of downtown which developed sporadically beginning in the 1920s. The following properties are recommended for classification as Historic Eligible by HPO: 1) the 1931 Harrington-Birchett House, located at 202 E 7th St., 2) the 1927 Terrell House, located at 521 W 5th St., 3) the 1927 Curry House, located at 225 S Roosevelt St., 4) the 1927 Blakely House, located at 305 S Roosevelt St., 5) the 1935 Marriott House, located at 606 S Roosevelt St., 6) the 1908 Oberbeck House, located at 708 S Lindon Ln., and 7) the 1960 Patio Palms Apartments, located at 626 S Wilson St.

5) Public input must be accurately attributed:

“Please state your name and address for recording in the meeting minutes.”

6) Discussion may take place prior to a vote at the option of the members:

“MOVE THAT THE TEMPE HISTORIC PRESERVATION COMMISSION CLASSIFY – the HARRINGTON-BIRCHETT HOUSE, the TERRELL HOUSE, the CURRY HOUSE, the BLAKELY HOUSE, the MARRIOTT HOUSE, the OBERBECK HOUSE, and the PATIO PALMS APARTMENTS – AS HISTORIC ELIGIBLE AND LIST THEM AS SUCH IN THE RECORDS OF THE COMMUNITY DEVELOPMENT DEPARTMENT.”

8) Is there a second? – Please Vote.

9) Summarize what took place and what are the next steps:

“The Tempe Historic Preservation Commission has just concluded a Public Hearing for Historic Eligible classification of properties which are not designated Historic and not listed in the Tempe Historic Property Register. The single effect of Historic Eligible classification is notification of the Historic Preservation Office in the event that a permit or other consideration by the city is requested for these properties, including the potential for a stay of demolition for a period not to exceed 30 days.

9) The conclusion of the Public Hearing and resumption of the public meeting must be acknowledged.

Close,

- ASU project on campus (any scope) = no city review
- ASU project off campus (limited to educational scope only) = no city review
- ASU project in the MU-Ed Zoning District (quasi-public scope i.e.: ASU use and private (open to the general public) use) = city review by Joint Review Committee
- Private Project on ASU land in the Mu-Ed Zoning District (open to the general public, no ASU use) could be either review by Joint Review Committee or review by Development Review Commission as decided by zoning administrator (appealable to Pres. Crow, whose decision is appealable to the City Council).

Chris

-----

Patti this is an incomplete explanation of how ASU projects are routed through the city processes.

City of Tempe Zoning & Development Code
Section 6-305 Planned Area Development Overlay Districts

A more complete explanation was provided by Chris Messer who indicated a project could have one of three review scenarios based on location and program as follows –

ASU project on campus (any scope) = no city review
ASU project off campus (limited to educational scope only) = city review by Joint Review Committee
ASU project off campus (general public or quasi-public scope) = city standard review by Development Review Commission

Now isn’t that straightforward? The answer is maybe!
Congratulations!
Your property, the Terrell House located at 521 West 5th Street is considered eligible for listing in the Tempe Historic Properties Register.

Why is my property historic?
Constructed in 1927, the Terrell house is significant as the 116 oldest building in Tempe, that is to say only 115 buildings are believed to predate the Terrell House. It is in the upper 99th percentile of all Tempe buildings in terms of age ($p\% = 0.998$). The Terrell House is significant for its association with Tempe’s historic Section 16.

What is going to happen?
The Tempe Historic Preservation Commission will consider classifying your property Historic-Eligible at a public hearing on Thursday, April 11, 2013, at 6:00 p.m. at Hatton Hall, 34 E 7th Street, Tempe, Arizona.

What does Historic-Eligible mean for my property?
Historic-Eligible means your property appears to meet the criteria for historic designation and listing in the Tempe Historic Properties Register. Neither Historic-Eligible classification nor listing on the Tempe Historic Properties Register prevents you, the property owner, from altering or demolishing your property. It means that when you seek a permit from the City of Tempe to alter, remodel, or demolish your property issuance of a permit may be delayed for not more than 30 days to allow the Tempe Historic Preservation Office a chance to review the proposed work and, if necessary, recommend alternatives. After review, your permit will be issued, with or without consent of the Historic Preservation Office, provided all other applicable requirements have been met.
How does listing an Historic Property add value to my property?
• There is a proven national trend toward higher property values associated with historic properties,
• There is a similar but above the national average trend, for historic properties in Valley area,
• City of Tempe resources may be available to assist you in locating and preparing tax credit and grant applications to help maintain the historic character of your property,
• Technical assistance and referrals by City of Tempe staff and commissions may be available to help maintain your historic property, and
• Often increased pride of ownership and a sense of good stewardship over your piece of Tempe history may be realized.

Historic-Eligible designation is a terrific opportunity for you to consider listing your property in the Tempe Historic Properties Register. There is still no fee to the owner for listing, and we encourage you to contact the Tempe Historic Preservation Office at (480) 350-8070 or online at www.tempe.gov/historicpres for more information.

We look forward to hearing from you in the near future.

Your property, the Blakely House located at 305 South Roosevelt Street is considered eligible for listing in the Tempe Historic Properties Register.

Why is my property historic?
Constructed in 1927, the house is significant as the 118th oldest building in Tempe, that is to say only 117 buildings are believed to predate the Blakely House. It is in the upper 99th percentile of all Tempe buildings in terms of age ($p\% = 0.998$). The Blakely House is significant for its association with Tempe’s historic Section 16.

What is going to happen?
The Tempe Historic Preservation Commission will consider classifying your property Historic-Eligible at a public hearing on Thursday, April 11, 2013, at 6:00 p.m. at Hatton Hall, 34 E 7th Street, Tempe, Arizona.

What does Historic-Eligible mean for my property?
Historic-Eligible means your property appears to meet the criteria for historic designation and listing in the Tempe Historic Properties Register. Neither Historic-Eligible classification nor listing on the Tempe Historic Properties Register prevents you, the property owner, from altering or demolishing your property. It means that when you seek a permit from the City of Tempe to alter, remodel, or demolish your property issuance of a permit may be delayed for not more than 30 days to allow the Tempe Historic Preservation Office a chance to review the proposed work and, if necessary, recommend alternatives. After review, your permit will be issued, with or without consent of the Historic Preservation Office, provided all other applicable requirements have been met.
How does listing an Historic Property add value to my property?

- There is a proven national trend toward higher property values associated with historic properties,
- There is a similar but above the national average trend, for historic properties in Valley area,
- City of Tempe resources may be available to assist you in locating and preparing tax credit and grant applications to help maintain the historic character of your property,
- Technical assistance and referrals by City of Tempe staff and commissions may be available to help maintain your historic property, and
- Often increased pride of ownership and a sense of good stewardship over your piece of Tempe history may be realized.

Historic-Eligible designation is a terrific opportunity for you to consider listing your property in the Tempe Historic Properties Register. There is still no fee to the owner for listing, and we encourage you to contact the Tempe Historic Preservation Office at (480) 350-8070 or online at www.tempe.gov/historicpres for more information.

We look forward to hearing from you in the near future.
