PROJECT NARRATIVE

ENTERPRISE RETAIL STORE

8201 SOUTH PRIEST DRIVE

Enterprise Leasing Company of Phoenix, LLC

The project consists of a new vehicle rental facility located in Tempe, Arizona. The site is approximately 2.5 net acres. The property is located at 8201 South Priest Drive, Tempe AZ, 85284.

The proposed project has no significant impact on adjacent properties. The project’s western property line is parallel with Priest Drive. The eastern property line is parallel to the existing Highline Canal right-of-way.

The grading and drainage impacts are negligible as the existing site proposes no stormwater retention and the proposed site includes stormwater retention. Runoff to adjacent sites will be reduced as a result of the proposed development. The only significant development on Priest Drive will be the installation of a new driveway cut. Utility connections for underground water, sewer, and power will be made from Priest Drive.

The project includes one 10 employee, 2,752-sf administration building and an open wash area located toward the back of the property for returned cars. This wash area is over 400 feet away from the public street.

The Subdivision Plat has been included as part of this project to dedicate right-of-way as stipulated by the city of Tempe. The Subdivision Plat will also dedicate two easements including a Public Sidewalk Easement and a 15’ Multimodal Easement.
