10. Request abatement of public nuisance items at the **WRIGHT PROPERTY** located at 2124 S. Mill Avenue. The applicant is the City of Tempe (**CE186907**).

Julie Scofield, Code Inspector, gave the following overview of this case:

- Case has been open since September 27, 2018
- For the landscaping over height grass, over height weeds, dead limbs, dead trees
- Quite a large parcel
- There has been notices mailed to the business owner property
- Has been in contact with the owner as of November of 2018 is the earliest contacts
- The owners have started to take care of the front of the property but not everything has been completed as of today
- Showed pictures of the property

Ms. MacDonald asked what the nature of the contact was.

Ms. Scofield stated that back in November is to inform that they are going to cut the grass. But nothing regarding taking the trees down at that time.

Ms. Scofield explained the nuisance on the property in the photos that she brought in. She explained where the grass has been cut and the trees taken care of in the front of the yard. However, in the backyard there is approximately 121 feet of land that has been fenced off but is part of the parcel and is a jungle with a lot of dead trees and over height grass remain.

Ms. MacDonald stated that regardless of their attempt to partition the property the property owner is responsible for the upkeep on the land.

Ms. Scofield stated that she has received about 6 complaints for the area that the property owner partition off from several of the neighbors.

Ms. Scofield stated her request for the abatement is for the whole parcel.

Ms. MacDonald clarified that it will haul away the stuff that is in the front yard and bring the whole land up to code.

Ms. Scofield confirmed that is correct.

Ms. MacDonald agrees with the assessment of the property.

Ms. MacDonald stated that since there was no one in the audience then there is no property owner or anyone in the public that would like to speak on agenda item number 10.

Ms. MacDonald approved the 180-day abatement.
