As in the past for other axe throwing operations, off-street parking shall be calculated at one (1) parking space per three (3) persons as recently required of escape rooms. The applicant states in the letter of explanation that the maximum number of people in the establishment at any given time would be twenty-five (25) which would require eight (8) parking spaces.

To date, staff has received one inquiry regarding the proposed use and concern about the allowance of liquor being brought to the business and consumed.

3. Contribution to the deterioration of the neighborhood or to the downgrading of property values, which is in conflict with the goals, objectives or policies for rehabilitation, redevelopment or conservation as set forth in the city’s adopted plans or General Plan; the proposed use is not in conflict with the goals, objectives and/or policies adopted by the City.

4. Compatibility with existing surrounding structures and uses; the proposed use is compatible in nature with uses allowed by right in the GID and no changes to the exterior of the building or site are anticipated.

5. Adequate control of disruptive behavior both inside and outside the premises which may create a nuisance to the surrounding area or general public; the applicant states in their letter of explanation that all patrons will be required to sign a waiver stating that they are not under the influence of drugs or alcohol and that loitering and consuming alcohol in the parking area is prohibited. Letter of explanation for USE Permit

This permit will be for an axe throwing venue located at 420 S. Perry Ln., Tempe, AZ 85281. We cater to people that want to have fun and try something new. Each lane is separated by a barrier for safety when throwing. People will have a qualified AXE coach teaching, supervising, and keeping score at all times while throwing. We will also have 24/7 video surveillance at all times throughout the day.

Hours of operation are as follows:

- **MON** closed
- **Tues** closed
- **Wed** 5-10 pm
- **Thur** 5-10 pm
- **Fri** 11 AM - 11 pm
- **Sat** 11 AM - 11 pm
- **Sun** 11 AM - 8 pm

We do not have employees until the business opens and gets busy enough to hire people. My girlfriend and I will handle things at first. Customer numbers will be around 5-25 at any given time, mostly on Friday & Saturday nights.

Traffic is light. Usually around 4-12 cars parking at any one time and always during "off" hours for all of the other businesses.

There are no toxic anything coming from our business, no issues with that.
this will in no way bring down the neighborhood or degrade it in any way. Actually it will improve the area because currently it is a dark gloomy commercial warehouse district with no nightlife at all.

We are fully compatible with other business because of the nature of the business and the odd hours of operation we require.

When people come in to throw they must first sign a waiver that states they are not under the influence of drugs or alcohol and that loitering and consuming alcohol outside in the parking area is not permitted.
