

# Your trash and recycling collection days are changing

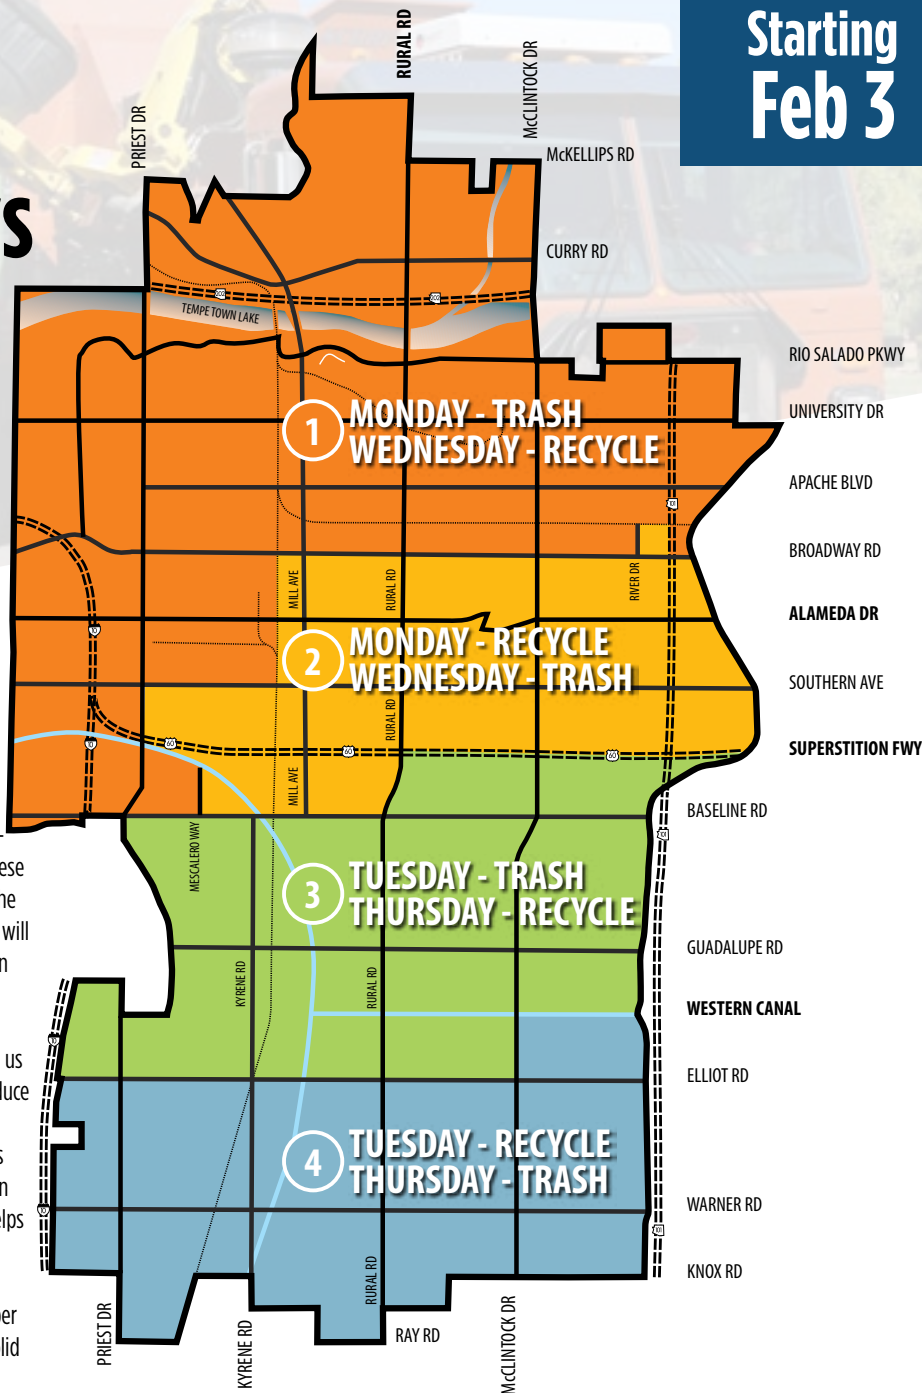

Starting  
Feb 3

## IMPORTANT NOTICE FOR TEMPE RESIDENTS! Trash & Recycling Collection Days Are Changing

Beginning Feb. 3, 2020, all trash and recycling residential customers will have a new pick-up day. These changes will affect every residential customer in the city. Customers in the green organics bin program will also see a change. Bulk trash collection (with green organics) is not affected.

Using a new route management system has given us the ability to better manage our resources and reduce costs. Moving trash collection to Monday through Thursday will also improve our service to residents and means we'll use less fuel and lower the carbon footprint. Operating in a more efficient manner helps keep rates lower.

The new collection schedule is based on the number of homes on a route and the amount/weight of solid waste and recycling collected. The new collection schedule is no longer based on boundary lines.

Your new day can be found at [tempe.gov/SMART](http://tempe.gov/SMART) or by calling Tempe 311 at 480-350-4311, Monday through Friday 7 a.m. to 5 p.m.
