Tempe Veterans Commission
Veterans Affairs Commission Proposal

OUR MISSION: To serve as a proactive voice supporting military personnel in the greater Phoenix area.

OUR HISTORY: 2021 will mark 40 years of the Military Affairs Committee (MAC) as a program within the Tempe Chamber of Commerce. Over the years, awards have been added to the program to recognize outstanding personnel in the military units. In many cases, the awards are named in honor of fallen military personnel. These award ceremonies were lunch events spread throughout the year.

In 2018, the MAC was officially opened up to all Tempe Chamber members with a new strategy to incorporate sponsors, fundraising and larger award ceremonies. Earlier this year, the MAC held its first Red, White & Blue Awards ceremony that included six awards including three Unit/Base awards and three ROTC Scholarships. The visibility of the Tempe Chamber MAC has grown and fundraising through events and sponsorships has exceeded expectations. This is due to the strong support from Tempe Chamber businesses.

Just last month, the MAC approved a monetary increase to all current awards and has proposed adding new awards to the 2020 Red, White & Blue Awards. The MAC Executive Committee proposed including a Tempe ‘Public Safety’ award. During that meeting, the MAC hosted Tempe Veterans Commission Chair Troy Friedman. In his presentation he mentioned a ‘Future Target’ of the commission was to create an award honoring Kyle Brayer. The MAC committee mentioned our Public Safety Award addition and asked that it be considered to be in honor of Kyle Brayer, a former Marine and 10 year veteran of the Tempe Fire Medical Rescue Department who was tragically lost when shot by a civilian in early 2019.

Our proposal is to ask the Veterans Affairs Commission if they would like to share in the creation, standards and selection process for our new award category. Our recommendation includes:

Award Name: The Kyle Brayer Public Safety Award
Awardee Requirements/Criteria:
- A current employee within any of Tempe’s public safety departments
- A military veteran or current member of the active reserves or guard
  Candidates must have:
  - Been recognized by their supervisors, colleagues or those they serve
  - Demonstrated consistent excellence in the performance of their duties
  - Displayed consistent dedication to their official responsibilities over a period of years
  - Shown continuous growth in responsibilities and skills within their profession

Award Timeline:
- Open nominations from Tempe Public Safety December 20th – January 20th
- Nominations evaluated by MAC and VAC by January 31st 2020
- Awardee announced by February 7th 2020
- Award presented at Red, White & Blue Awards on March, 11, 2020

Award: Custom Plaque, Check for $150 and a 2 night hotel stay
BACKGROUND

Veterans experience a range of challenges and issues as they transition to civilian life and culture, which include career, school, training, friends, housing, and available services. Mentorship programs within the military services aid service member, their families, and the commands they are assigned while in the service. Similarly, the city could provide a program which provides sound counsel and resources through qualified mentors.

Observation

Veterans who choose to make the City of Tempe their home and/or their place of work have programs that seek to facilitate a good quality of life. There is an abundance of military veterans who face the challenges of adapting to the community and those who have successfully established themselves in the community. Being a resident of Tempe provides many incredible opportunities for many veterans, however, lack of experience can lessen the effectiveness of those resources and opportunities.

Recommendation

A city sponsored mentorship program that can aid in the success of veterans during and after their transition. For a mentorship program to be successful, it will need to have program management and a pool of qualified engaged mentors. The City of Tempe Veterans Commission has influence and connections within the veteran community that could facilitate a mentorship program. We recommend that the commission identify an individual to lead the effort in establishing a mentorship program as the program coordinator. Additionally, we believe it would be beneficial
to have members of the Veterans Commission provide guidance and establish the MVGP (Mission, Vision and Guiding Principles).

Respectfully,

City of Tempe Veterans Commission
CITY OF TEMPE
VETERAN'S MENTORSHIP PROGRAM

PURPOSE
The City of Tempe Veteran's Mentorship Program seeks to help veterans develop life skills, overcome challenges, and strengthen positive character attributes. The program utilizes key personnel to provide program management and guidance, training, mentorship pairing and assignments, and program outreach. Mentorship is a resource program that seeks to help veterans develop life skills, overcome challenges, and strengthen positive character attributes. The program utilizes key personnel to provide program management and guidance, training, mentorship pairing and assignments, and program outreach. This is a volunteer-based program.

APPLICABILITY
This instruction applies to all veterans who live or work in the City of Tempe and their appointed mentors.

BACKGROUND
Mentorship can be a powerful and adaptive tool for personal and professional development. It offers an opportunity for mentors and mentees to address issues of concern, increase interpersonal relationships and enhance community bonds. Tempe veterans are diverse; they represent a wide range of backgrounds and life experiences. They have unique goals and ambitions, as such it is key to pair veterans to mentors who not only understand their mentees but are able to successfully connect and provide sound guidance. There are many successful mentorship programs currently in practice in private and government organizations.

POLICY
The City of Tempe is committed to providing continued support of its veteran residents. Veterans who would like to engage with a mentor can do so by contacting the program coordinator. For veterans returning to the City of Tempe, a mentorship request can be submitted up to three months prior to return. Typically, mentors and veterans will engage in the program for a period of one to two-year period.
ACTION

The City of Tempe establishes an active mentoring program to assist Tempe Veterans in becoming full contributors to the community team and their personal development by creating an environment which provides one-on-one interaction. The following guidelines are provided:

1) A Mentorship Program Coordinator will be appointed by the City of Tempe. Duties include appointing a Program Coordinator for the Mentorship Program and spot-checking the effectiveness of the Mentorship Program. The City of Tempe’s Veterans Commission will aid the Mentorship Program Coordinator in monitoring the effectiveness of the program.

2) Duties of the Mentorship Program Coordinator include but are not limited to the following:
   a) Screening potential mentors
   b) Providing mentorship training
   c) Pairing mentors and veterans
   d) Conduct periodica quality checks with mentors to evaluate and support the effectiveness of the Mentoring Program. Participating veterans are encouraged to provide feedback concerning the program to their Mentor.

3) The Mentorship Program is voluntary for participants. All mentors will be knowledgeable of the information contained in this instruction.

4) The Mentorship Program is made up of the following three phases:
   a) Phase One: Assignment
   b) Phase Two: Regularly scheduled mentor and veteran interactions
   c) Phase Three: Completion; normally ending when either the mentor or veteran wish to conclude the relationship

5) Mentors will be paired with veterans by the program coordinator. Normally, mentors will have 1-2 protégés and will conduct meetings monthly while keeping documentation.

6) The Mentor will establish and maintain open lines of communication with assigned veterans consisting of, but not limited to, the use of scheduled periodic meetings and telephone communication. The frequency of these meetings will be determined by the needs of the member or the mentorship category the member
falls into. As options, meetings such as mid-day or afternoon should be considered because they may be effective in creating an atmosphere of trust.

7) A quarterly semi-annual meeting will be held with Mentorship Program coordinator and stakeholders to discuss program effectiveness concerns and any other items of interest for program feedback.

8) A quarterly meeting, open to all mentors and mentees, will be facilitated to discuss the Mentorship Program, and conduct training.

9) This instruction provides information concerning mentoring including details on counseling methods. Any individual involved in the mentoring program will be thoroughly familiar with the material outlined in this document.
