

Staff Summary Report

Council Meeting Date: 10/02/08

Agenda Item Number: 27

SUBJECT: Request approval of an addendum to a professional services contract with Stantec Consulting, Inc., for additional construction administration and design services for the City Hall parking garage project.

DOCUMENT NAME: 20081002PWDR03 PARKING (0503-19) PROJECT NO. 6702971.

SUPPORTING DOCS: Yes.

COMMENTS: Total cost of the addendum is \$78,540.

PREPARED BY: DONNA RYGIEL, ENGINEERING CONTRACT ADMIN. (x8520)

REVIEWED BY: ANDY GOH, DEPUTY PW MANAGER/CITY ENGINEER (x8896)

APPROVED BY: Glenn Kephart, Public Works Manager (x8205)

LEGAL REVIEW BY: Judi Morgan, Assistant City Attorney (x8227)

FISCAL NOTE: Sufficient funds are available in Capital Improvement Fund No. 6702971.

RECOMMENDATION: Approve addendum.

ADDITIONAL INFO: This addendum provides for additional construction administration and design services required to finalize the City Hall parking garage. The scope of work includes electrical design changes, canopy revisions and additional public safety features, including closed circuit television and emergency phones.

The fee was negotiated by staff and is considered reasonable for the scope of services. This addendum will increase the total contracts with Stantec Consulting, Inc. to \$725,297. The current total amount of the construction contract for this project is \$16,569,233.

CITY OF TEMPE, ARIZONA
PUBLIC WORKS DEPARTMENT
DIVISION OF ENGINEERING

ADDENDUM NO. 1
To Contract (C2008-38) for Professional Services for City Hall Parking Garage
and Retail Building Shell

PROJECT NO. 6702971

PROJECT NAME: City Hall Parking Garage and Retail Building Shell

This Addendum No. 1 (“Addendum”) is made and entered into on the 2nd day of October 2008, by and between the City of Tempe, a municipal corporation, (“City”) and Stantec Consulting, Inc., an Arizona corporation, (“Consultant”).

RECITALS:

- A. The parties hereto entered into that certain Contract for Professional Services on or about February 21, 2008 (“Contract”), defining certain rights and obligations between the parties in order to provide construction administration and post design services for the City Hall parking garage.
- B. The parties desire to further define their respective rights and obligations with respect to the services of the Consultant, period of service and compensation.
- C. The parties intend that the following sections shall be integrated into the Contract in place of the former similarly identified section, and that this addendum be given the full force and effect of law as the Contract.

Now therefore, in consideration of the mutual promises and covenants as more particularly set forth below, the parties do hereby amend the Contract to read as follows:

I. The Consultant shall perform additional design services to incorporate design changes requested by the City, as described in Exhibit "A" attached hereto and incorporated herein by this reference.

II. The Consultant shall proceed with the work immediately upon execution of this Addendum and all services shall be completed by December 31, 2008.

III. For services described herein, the method of payment shall be payment by installments. Total compensation for services performed shall not exceed \$78,540.00, which shall constitute payment in full for all labor, equipment, materials and supplies needed to perform these services. This fee includes an allowance of \$8,000.00 for reimbursable expenses, which in no event will ever be more than actual cost.

Cost Analysis:	<u>Professional Services</u>	<u>Reimbursables</u>	<u>Total</u>
Initial Contract Amount	\$142,443.00	\$7,577.00	\$150,000.00
Addendum No. 1	\$70,540.00	\$8,000.00	\$78,540.00
NEW CONTRACT AMOUNT			\$228,540.00

All other provisions of the Contract not inconsistent with this Addendum shall remain binding on the parties hereto.

2. Plan drawings of IT Room with lay out for equipment in the Room; IWO-3

Item	Hours	Projected Cost
Obtain list of equipment and determine quantity and dimensions	6	\$756
Prepare Plan drawing for room	8	\$1008
QA/ QC of drawing	2	300
Copy and transmit drawings	2	\$192
Incorporate review comments	4	\$504
Project administration and Task management	2	\$300
Total	24	\$3,060

3. Additional design during Review of plans. IWO-4

Item	Hours	Projected Cost
Revise Site Utility plans to reflect changes requested by the City	4	\$504
Prepare photometric plans for each level including roof.	16	\$2016
Provide 120 v power to the security camera locations	8	\$1008
Revise trash compactor area	2	\$252
Provide power and controls for an Owner requested Blue Light Phone system.	8	\$1008
QA / QC	2	300
Review and Seal Drawings	2	300
Project administration and Task Management	2	300
Total	42	\$5688

4. Revise lighting levels for roof to 3fc and drive aisles to 1 fc.

Item	Hours	Projected Cost
Prepare Photometric plans for roof @ 3fc under canopy and 1 fc drive aisles	6	\$756
Revise panel schedules to include additional lighting circuits	2	\$252
Revise fixture schedule to include additional wall mounted light fixtures	2	\$252
Revise Load calculations	2	\$252
Project administration and task management	2	\$300
Total	14	\$1812

5. Change Canopies to pre-manufactured and prepare for Planning review.

Item	Hours	Projected Cost
Canopy plan showing column location and canopy outline	8	\$878
Canopy plan showing canopies	5	\$538
Exterior elevations in color	9	\$934
Canopy section showing fascia and light fixtures	10	\$1076
Material samples board	8	\$878
Letter of explanation	4	\$568
Presentation prep	10	\$1162
Consultant coordination	6	\$852
Working drawings- architectural	18	\$2040
No Travel time & presentation time	0	0
Lighting revisions @ canopy	20	\$2520
Structural review	6	\$852
Project management and permit revisions	32	\$3840
Total	136	\$16138.00

6. Civil revisions at Storm Line

Civil requests \$1,254 to address the comments generated by the City of Tempe Planning Department received on 4/25/08. These comments created the need to have a separate building outlet for a proposed 4-inch line from the elevator sump. This line was originally combined with the storm water pipe outlet on the west side of the building. In the event of a hydraulic oil line break, storm water breach, or the activation of the fire sprinkler head in the elevator sump a line is necessary to drain the area. Due to the possibility of hydraulic oil contaminating the underground retention pipe a sand/oil separator was added to the plans between the underground retention and the building outlet. The underground retention pipe shown on the plans was revised to have an additional inlet for the 4-inch line. By separating the lines the size of the sand/oil interceptor was able to be minimized.	14	\$1254
Project administration and task management	2	\$300
Total	16	\$1554

7. Water meter changes

Civil: modify the civil utility plan per the meeting minute notes "Week 26 of 53", July 10, 2008. The water meter size dedicated for the garage structure will be changed from a 2-inch meter to a 1.5-inch meter. The service line on both sides of the meter will be	7	\$632
--	---	-------

Stantec

July 17, 2008
Page 4 of 5

Reference: Tempe Parking Garage

called out as 2-inches. The size of the meters and service lines to the retail suites within the garage will remain the same, but will be labeled "future-to be installed with tenant improvements". ULE will reissue sheet C104 as Delta 9.		
Plumbing will still show a 2" RPBP, water line and valves sized to handle the (3) hose bibbs per floor green roof and trees. Changing the other 2" meter for the office/retail floors to show as future.	4	\$504
Project administration and task management	2	\$300
Total	14	\$1436.00

8. Delete Green roof and change to balasted EPDM roof.

Delete Green roof features, specify and detail balasted EPDM roof system.	8	\$1,120
Project administration and task management	2	\$300
Total	10	\$1,420.00

9. Construction administration services

Architectural construction administration services required to complete project. 26 weeks @ 6 hours per week equals 144 hours @ \$140 / hr.	144	\$20,160
Total	144	\$20,160

Summary:

1. Additional Electrical Design Services	\$19,272
2. Plan drawings of IT Room with lay out for equipment in the Room; IWO-3	\$ 3,060
3. Additional design during Review of plans. IWO-4	\$ 5,688
4. Revise lighting levels for roof to 3fc and drive aisles to 1 fc.	\$ 1,812
5. Change Canopies to pre-manufactured and prepare for Planning review.	\$16,138
6. Civil revisions at Storm Line	\$ 1,554
7. Water meter changes	\$ 1,436
8. Change roof to balasted EPDM	\$ 1,420
9. Construction administration services	\$20,160
Reimbursable expenses for Mylars and travel.	\$ 8,000
Total	\$ 78,540
