

SB1552

In June 2007 the Governor signed SB 1552. The bill includes new requirements for the use of off-road vehicles inside city limits. The new requirements will become effective as of March 31, 2008.

ATV Restrictions:

The City of Tempe is required to amend existing or create a new ordinance needed to prohibit operation of any vehicle on an unpaved surface that is not a public or private road, street or lawful easement and that is closed by the landowner.

This includes vehicles such as off-highway vehicles (OHVs), off-road recreational motor vehicles (ORRMVs), or all-terrain vehicles (ATVs).
