

SB1552

In June 2007 the Governor signed SB 1552. The bill includes new requirements for the use of leaf blowers. The new requirements will become effective as of Mars 31, 2008.

Leaf Blowers:

The City of Tempe is required to amend existing or create new ordinances needed to:

- a) Prohibit the blowing of landscape debris into a public roadway at any time by any person.
- b) Prohibit the use of leaf blowers on bare, native soil, (they can only be used on stabilized surfaces such as concrete/asphalt, grass, gravel, or finished landscape, decomposed granite or similar stabilizing surfaces).
