

# My Dog has Fleas

May 9 - Sept. 3, 2008

Summer fun brings up memories of swimming, sports and playing ball with the dog in the backyard barbeque. Man's best friend as a fully fledged member of the family is also entitled to all the eccentricities and personality as the rest of the clan.

Exhibitions at the United States Post Office highlight local artists working in a variety of media and themes. Space is located in the heart of the Mill Avenue district. Special emphasis is placed on work that is fun, eye-catching and unusual.
