FEE, AFFIDAVIT AND ORDER

Defendant

AFFIDAVIT AND MOTION

Under penalty of perjury, I, the above-named Defendant, swear or affirm that **each of the statements written below** is true to the best of my knowledge.

I did not receive a copy of an Arizona Uniform Traffic Ticket and Complaint by regular First Class mail at the address at which I have provided MVD when I registered the vehicle I was allegedly driving, on or before the date and time at which I was served (or someone of suitable age and discretion was served at my usual place of residence) by a Registered Process Server.

Nobody of suitable age and discretion received a copy of an Arizona Uniform Traffic Ticket and Complaint by regular First Class mail at the address at which I have registered the vehicle which I was allegedly driving, on or before the date and time at which I was served (or someone of suitable age and discretion was served at my usual place of residence) by a Registered Process Server.

The first notice I received of an Arizona Uniform Traffic Ticket and Complaint issued against me was at the time I was served (or someone of suitable age and discretion was served at my usual place of residence) by a Registered Process Server.

I am therefore requesting that the \$26 process service fee assessed in this case be waived.
