DEFINITION OF POLITICAL COMMITTEE: A.R.S. § 16-901(19)

"Political committee" means a committee or a continuing or intermittent combination of persons that is organized, conducted, or combined for the purpose of influencing the result of any election or to determine whether an individual will become a candidate for election in this state or in any county, city, town, district, or precinct in this state, that encourages or opposes the nomination or election of a candidate for election in this state or any office in this state, or seeks to influence the result of any election or to determine whether an individual will become a candidate for election in this state or any office in this state.

NOTE FOR INDIVIDUALS INVOLVED IN POLITICAL ACTIVITIES:

An individual, acting alone, is not a political committee under Arizona law and need not file a statement of organization. If any additional person or persons join the effort as defined above in A.R.S. § 16-901(19), then by an individual, the association of persons has become a political committee under Arizona law, and must file a statement of organization before accepting contributions, making expenditures, distributing literature or circulating petitions.

NOTE FOR THOSE INVOLVED IN INITIATIVE, REFERENDUM AND RECALL EFFORTS:

Before circulating initiative, referendum or recall petitions, a political committee must file a statement of organization with the appropriate filing office. Signatures obtained on petitions prior to the filing of the statement of organization are void and shall not be counted in determining the legal sufficiency of the petition. A.R.S. §§ 16-114(13) and 19-205(C). Even though an individual, acting alone, may begin the initiative, referendum or recall effort, as soon as other persons join the effort, the association of persons must register as a political committee. The statement of organization must be filed regardless of whether the committee intends to accept contributions or make expenditures.
