OpenGov allows you to explore budget and historical finances in a simple graphical user interface. The main view, depicted below, includes a graph, legend, and various controls to view expenses by departments out of all funds.

SUMMARIZED FINANCIAL DATA

You'll notice the title of the graph you are viewing on top along with the account type selector. You can use the filter to see the data of most interest to you. Show the drill-down history by clicking the icon to the right of the Back button. For more information click on the **www.*tempe.gov/openbooks*** hyperlink.

There are five graph types overall: a Percentage Graph, a Stacked Graph, a Line Graph, a Pie Graph, and a Bar Graph.

Click the **Share** drop-down to view on a social network or by email. Or download the displayed data in spreadsheet (.csv) or image (.png) formats.

Click the **Help** drop-down menu to launch the **How To** reference guide, the initial **Welcome Screen**, **Multi-Fund Accounting 101** and **Contact Tempe**.
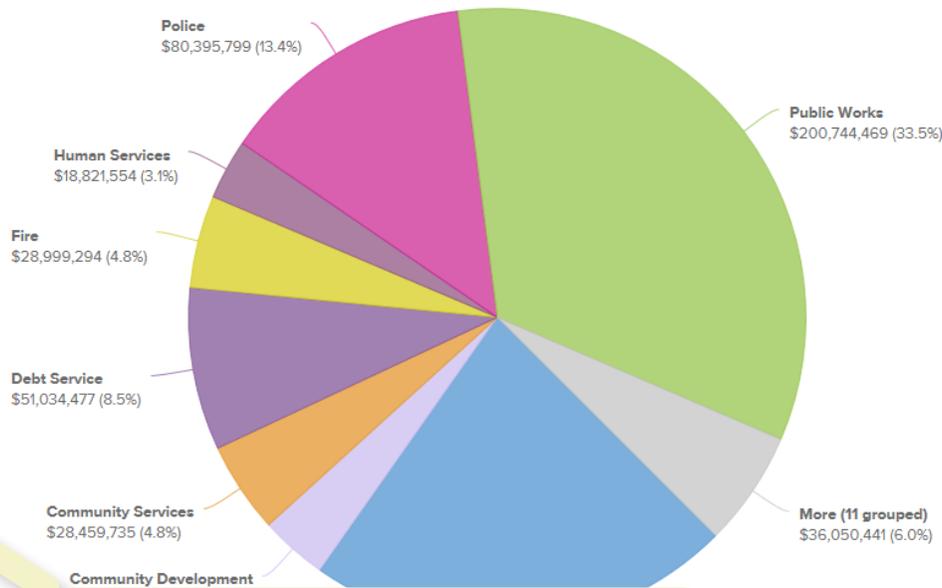

← Back ↻ Reset **Departments** (▼ EXPENSES)

Use **Filters** to focus on specific data — like a fund, department, expense type, or any combination. The "Broken Down By" allows you to specify which breakdown you want the graphs and table rows to represent on the graph. The "Data Filter" shows you the hierarchical relationships of Funds, Departments, and Account Types. Additional budget information is available by clicking the PDF documents.

DETAILED TRANSACTIONS

OpenGov's Grid Reports allow you to explore individual transactions in a simple user interface. The main view, depicted below, includes a grid with various controls to view all or individual expenses.

There are many ways to apply filters to the grid data. You may use the **Filter** panel located to the left of the report. You can also click on the filter icon for a specific column to apply a filter.

There is a **Search Bar** located at the top of the screen. This search bar allows you to search for any text across the grid.

Click on **Help** to learn more about this report. You can share any grid view via social media or through email. There is also the option to download the source data as a .csv spreadsheet in the Download menu.

Hover over the graph icon to view more graph options.

At any point you are able to visualize the data in the grid or display a graph and data together. To do this, click on the **Visualizations** button on the left hand side of the screen.

Click the drop down arrow on each column to **Search**, **Sort** or **Hide Columns**.

Click **Show More** to expand the list of items available.
