CONTRACTOR PROVIDED COI CANCELLATION LETTER

Risk management has established guidelines for a letter from contractors to the City of Tempe guaranteeing timely notice of insurance cancellation needed for working in the right-of-way.

This letter obligates the contractor to notify the City of Tempe of any changes to the required insurance coverage and not just cancellation. Any changes deemed unacceptable by the City of Tempe may cause any and all Engineering permits to be suspended or revoked until the insurance is deemed to be in compliance with City of Tempe Engineering requirements.

The letter may state that it is for permits, but may not reference job site or permit numbers. The letter shall reference the General Liability and Auto Liability policy numbers. Please include Umbrella or Excess policy numbers if such policies were used to reach the required coverage limits. The letter will be signed by the business owner or company officer of high standing, and not by an administrative assistant or secretary. It also must be on the company letterhead.

Here is the language that will be considered acceptable:

(Company name) will provide the City of Tempe with a 30-day advance **written** notice, if any of their insurance policies *(insert appropriate policy numbers here)* have been cancelled, terminated, non-renewed or materially changed and do not meet the requirements of the permit, and a 10-day notice for cancellation due to non-payment of premium. Notice will be sent by certified letter via the U.S Postal Service to:

City of Tempe
Community Development Department
Development Services Division
31 E. 5th Street
Tempe, AZ, 85281

If you have any questions, please contact the City of Tempe, Community Development Department at: 480) 350-4311 or email permitcenter@tempe.gov

Dear Contractor:

Tempe City Code (the "TCC") 20-8 regulates allowed hours and noise levels for all construction work in the City of Tempe, including commercial and industrial zones that are not within 500 feet of a residential zone. In extenuating circumstances, not merely convenience, you may request a Letter of Authorization to work outside the allowed hours and to exceed allowed noise levels.

To obtain a Letter of Noise Authorization, it is necessary to submit a formal written request using company letterhead to the City of Tempe. If approved, you will receive a signed Letter of Noise Authorization via fax or email from the Neighborhood Services Division, and internal appropriate City staff will be provided an unsigned copy (via e-mail), as a formal notification of your permission to work evenings and/or early morning hours.

Steps required for application:

On your company letterhead, indicate the following information:

- Contractor Name
- Contact Information, should complaints arise **during** construction
 - On-Site Contact Name
 - On-Site Telephone Number
 - **FAX Number or email address** (to fax or email back your approval if granted)
- Project Name (if applicable)
- On-Site: Project Number
 - (example: EN_____)
- Off-Site: Permit Number (depending on the nature of work)
 - (example: WA_____, UT_____)
- Location of the work On-Site or Off-Site:
 - Street address / closest major crossroads / specific location of work zone
- Specific nature of work (short, basic lay person description)
- Specific work hours requested (begin and end time)
- Specific work dates requested (begin and end date)
- Residential Impact Study
 - Aerial picture showing a minimum of 1000 foot radius from work site (example: <http://maps.google.com/>)
 - On the same aerial picture, show a 500 foot radius
 - List of Residents affected within the 500 foot radius
 - Should residents be affected, please include your draft resident notification flyer (see attached sample). Upon approval of the flyer, you shall distribute within the affected area prior to start of work.
- Reason for work outside normal hours (see TCC 20-8 for allowed reasons).

Applications must be submitted a minimum of 48 hours in advance of scheduled work.

Please submit your request by email or fax to Neighborhood Services at 480-350-8996 (fax) or neighborhoods@tempe.gov. In the event you have any questions regarding this process, please contact me at 480-350-8883 or shauna_warner@tempe.gov.

We look forward to working with you.

Thank you,
Shauna Warner
Neighborhood Services Director
