**6. The open lawn area currently has a backstop located on the southeast corner. Do you want the city to remove the backstop?**

Total Submissions: 8

## **7. Additional comments**

1. Some beginner baseball teams DO use the backstop. Please do not remove! It is not an eyesore and requires little maintenance.
2. New name for park
3. Could we rename the park? We could call it with a new name and give recognition to the Svob family on the sign.
4. Put shade structure over picnic tables by playground. Lighter colors on plastic and metal on playground. Rename park and a commemorative stone for Svob family. Add a bike path on streets of neighborhood. Work with ASU graphic design class (Dr. Andrew Weed) to come up with fun signs to remind people to put trash, doggie deposits, etc. in trash as well as fun signs to different areas.
5. Light color on the play structure. Keep the backstop.
6. Or tan instead of purple for Option 2 colors. Would the city consider renaming the park? It is not a very enjoyable sounding name.
