

Case Submission Date	McClintock Drive 311 Calls
3/15/2016 0:00	total boon doggle, tens of thousands of drivers inconvenienced for a handful of bike riders, getting in and out of neighborhoods more difficult, total waste of money. Tom Harding
3/16/2016 0:00	Supports bike lane, bike lanes are good for the city. Traffic has reduced in past years, people who complain about traffic congestion my be new residents in area. Reducing speed limit to 35 may help with congestion
3/16/2016 0:00	resident is FOR the bike lanes. They stated they use the bike lanes frequently and are very happy with it
4/14/2016 0:00	resident was upset about the amount of traffic that is now on McClintock
8/3/2016 0:00	Ever since the road project repaved McClintock, one of the dual left turns lanes in each direction at the intersections with Broadway, Southern, Baseline & Guadalupe have been barricaded and not in use. Why? When will these lanes be reopened?
9/27/2016 0:00	Can't get out of the Fry's shopping center in morning going north and in the evening going south due to traffic backed up since the installation of the bike lane
10/3/2016 0:00	General complaint
10/17/2016	removed turning lane causing more traffic and drivers turning into neighborhood to avoid traffic jam. Caller supports bike lanes around ASU university which would make more sense. Having bike lanes further south not logical.
10/18/2016 0:00	Ora Smith Very unhappy with the traffic congestion and she has only ever seen 5 bikers using it
10/18/2016 0:00	caller would actually like to keep the bike lane - this is not a complaint
10/19/2016 0:00	caller states he does not see many bikes using this street
10/20/2016 0:00	Resident is in favor of bike lanes, bikes on the road makes things safer, he uses public transportation. He is a bike rider. He has not used this lane, he mostly uses Rural Rd. He supports the bike lanes and feels there should be more lanes around town.
10/20/2016 0:00	Jaime He is livid about the McClintock bike lane, He states he has only seen about 20 bikes since the candlesticks have been put up and most of them are "tweakers". He states we took away his safety. It is dangerous all the way from Rio Salado to Warner on McClintock. He stated we should all losing our jobs, and that we took away their tax dollars to put candlesticks on McClintock. He stated all the city does it take take take.
10/20/2016 0:00	the installation of bike lanes and reducing McClintock causes traffic congestion. caller opposes bike lanes
	Support Bike lanes
	Oppose Bike Lanes
