

Group members:

(all 4 birds should be on puppet stage)

Thank you, thank you, thank you! (all characters taking bows)

Teacher: You know, as we were preparing for our play, we sure learned a lot about Biomimicry. What is biomimicry?

(these answers should be examples from the biomimicry cards or videos)

Penguin: It's like when you guys wrapped the feathers on me trying to make me have bigger wings so I could fly.

Biomimicry is _____

Flamingo: Remember the example _____

Ostrich: Yeah, and another example is _____

(These answers should be things you learned in Art, Music, P.E., Library or our Kick-off)

Teacher: What else did you learn during our biomimicry studies? I know I learned

Penguin: I learned _____

Flamingo: I learned _____

Ostrich: Something else I learned _____

Ostrich: Something else I learned _____

Teacher: We sure did learn a lot! We hope you learned something too!

(All characters take a bow! Then come out front and introduce)

I'm _____ and I played the part of Penguin

I'm _____ and I played the part of Flamingo and Narrator 1

I'm _____ and I played the part of Ostrich and Narrator 2

I'm _____ and I played the part of Teacher 1
