**Ghost Cat Attack**  
**Apr 13, 2018**

Ghost Cat Attack is a local indie-rock band with influences of pop, rock, folk and blues. All songs are original and written by Singer/Acoustic guitarist Sarah Chapman. The band does all the arrangements with Steve Beer on Bass, Jared Wood on Electric Guitar and Lou Perez on Drums.

Sarah has been making music since childhood and at 16 years of age, she picked up the guitar. Her love of poetry and music made songwriting a natural fit and in January of 2015, she set about finding a band to help bring her songs to life. Eventually they formed as Ghost Cat Attack and played their first show in April of 2015. Sarah believes that music from the heart, feeds the heart. This music is from her heart to yours. It has come from growing up in Arizona, surrounded by the beauty of the desert. It has been inspired by the search for love, meaning and belonging. She hopes that it will bring you joy, or comfort, or perhaps just simply a release.

In April 2018, 15 saxophone players from the Grasse Music School on the French Riviera will come to Arizona for a performance tour in Phoenix, Chandler, Flagstaff, Las Vegas and Tempe. The Ensemble Saxophones du Conservatoire de Grasse is composed of musicians from the Conservatory of Grasse, directed by Romuald Maryn. The group's instrumentation includes baritones, tenors, altos, a bass sax and drums. Grasse is about 10 miles north of Cannes, France. They perform throughout the southeast of France. In April 2016, Catherine (Alto Sax) told the group that she was accompanying her husband as he was relocated for 2 years to Phoenix. This was first a disappointment because Catherine was a pillar of the alto sax section. But Romuald, their saxophone teacher, turned this disappointment into an opportunity; to set up an Arizona tour to visit Catherine and perform several concerts around the Phoenix area, including the Tempe History Museum. Meet the band in a Q & A session after the show.
