

ADP ELIGIBILITY

You have been referred to the City of Tempe’s Adult Diversion Program (ADP). This program is voluntary. Upon successful completion of the program your charges will be dismissed. Your counselor will set program requirements based on your charge and an assessment. You will be required to complete all monthly check-ins, pay all fees and complete all education and/or treatment to remain in compliance. At any time you do not contact Tempe Human Services by a court-ordered deadline, fail to attend any scheduled appointment, or are non-compliant with requirements, your case will be referred to Court for further action and you may lose the opportunity to participate in the Adult Diversion Program.

Below are the criteria for acceptance into the Adult Diversion Program. You must meet all requirements to participate. Please review each statement thoroughly and initial next to each statement that applies to you.

_____ You are a first-time offender formally charged with a non-traffic criminal misdemeanor offense in Tempe.

_____ You do not have any criminal misdemeanor or felony convictions as an adult in any jurisdiction. Discovery of prior convictions at any time while participating in the program will result in automatic revocation from the program.
