IV. Special Material and Special Collections

Effective January 1, 2016, residents seeking refuse collection service over and above the usual level provided by the city shall be charged at a rate of \$200.00 per hour for time spent by city employees performing the requested service plus landfill disposal charges.

V. Miscellaneous Conditions and Restrictions

- A. If a customer requires refuse collection from a combination of the above-stated collection methods, the Public Works Director or his/her designee is authorized and directed to establish a monthly rate which will equitably reflect the schedule of charges established herein for each method of collection.
- B. The Public Works Director or his/her designee is authorized and directed to equitably recover from the customer the cost of landfill tipping fees in the excess of the monthly rate charged, when the weight of the container serviced exceeds the weight upon which the service rate is based.
- C. Residential solid waste collection accounts shall not be eligible to petition the city for temporary discontinuance of refuse service.
- D. In the event that a customer fails to pay for refuse service, a qualified representative of the city shall be authorized to discontinue water service or other city services to the property until such time as payment is made and arrangements approved by the Internal Services Department to bring the account up to date.

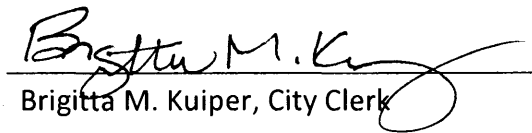

- E. ~~Charges for refuse service to newly constructed residential structures shall commence upon final inspection and approval of such structures by the city building inspector unless no service is required for the property.~~

PASSED AND ADOPTED BY THE CITY COUNCIL OF THE CITY OF TEMPE, ARIZONA, this 30th day of November, 2017.
