The Lonesome Wilderness

The Lonesome Wilderness is a Phoenix-based rock band, formed in 2011. Members include sex-panther Joe Golfen, his time-traveling brother Paul, rocknrolla Andrea Custer and Baron Brian Weis. They originally drew their sound from surf, punk and 1960s influences, but while their backs were turned, some southwestern dust seeped under the door. You can find them playing shows on ramshackle stages in dirt lots, backyards and dark bars – or occasionally at a local museum. Meet the band in a Q&A session after the show.

Friday, 5/3; 7 p.m.

PERFORMANCES at the MUSEUM

We3

We3 features Renee Grant Patrick, vocals - Suzanne Lansford, violin - and Nicole Pesce, piano. When vocalist Renee Grant Patrick, daughter of the late George Grant (who traveled the world singing lead tenor for the Ink Spots in the 80s & 90s) lost her father in January of 2016, she combined talents with Suzanne Lansford and Nicole Pesce to pay tribute to some of their favorite Ink Spots' songs, one of them being "We Three." Enjoy nostalgia and more, when these three powerful talents come together.

An Evening with Casual Alien: Synthesizer, Vocals and Cosmic Drumming

Casual Alien began as the recording project of Don "Doc" Boles, and the live band began as a rave act and outdoor feature in the Tempe AZ university entertainment district. Now the band features Amy Andrews, female vocals and dancer, and Dave Marshall, percussionist. With influences of psy-trance and EDM, the band is gravitating (get it?) towards playing festivals. Stage personas are tongue-in-cheek as the band performs as aliens, and the music is beyond conventional. Doc has provided the music and synced digital videos with beautiful evolving abstracts. Join us for the best local dessert and coffee and an event that is part artist portrait, part history lesson, part community forum and part creative event. Open to the public; donations welcome.

A Celebration of American Independence Day with the Pangean Orchestra

The Pangean Orchestra was born from the desert in 2010. Since then, their groundbreaking sound and incredible ability to harmonize seemingly incompatible instruments have been inspiring audiences, music lovers and musicians around the world. On July 6th, founder Colin O'Donohoe will lead many original members from the Pangean movement in an unforgettable one-time only event. With musicians from all over the world, they deliver a message of peace through the international language of music. What makes the USA such a great country is that we have people from everywhere. We can't think of anything more American than the Pangean Orchestra.
