Tempe Bikeway Map

Bicycle Lane
A portion of a roadway designated for preferential or exclusive use of bicycles and defined by pavement markings, curbs, signs or other traffic-control devices (see symbol). Bicycle lanes are a minimum of four feet wide.

Multi-Use Path
A paved facility completely separable from the roadway and motorized traffic designated for non-motorized, mixed use. Multi-Use paths are a minimum of 10 feet wide.

Center Peavy/Washington St
Mill Ave/Third St
Van Horn/College Ave
University Dr/Rural Rd
Dorsey Ln/Apache Blvd
McClenoch Dr/Apache Blvd
Smith-Martin/Apache Blvd
Price-101 Fwy/Apache Blvd

BIKEIT
BIKEIT is the name of Tempe’s bike boulevard system. Bike boulevards are off-street pathways and streets with low-motorized traffic volumes/speeds and designed to provide bicycle travel. BIKEIT connects neighborhoods to major destinations, employment centers and activity centers while enhancing access and comfort for bicyclists.

Bike Share Hub
Bike share is a for-rent public bike program meant to support greater access to more sustainable transportation and further reduce dependency on the automobile. Tempe’s bike share hubs are located near light rail stations, ASU/downtown Tempe, community centers, cultural venues, Town Lake, major shopping areas, and more.

Bikes can be located and reserved via the Social Bicycles mobile app or online at www.gridbikes.com. Members can also unlock a bike directly at the hub using an account number and four-digit PIN code. To end a trip, the bike can be returned to any bike hub location in the valley or, for a small fee, can be locked at any regular bike rack. Fare options include weekly, monthly, student, and pay-as-you-go.
