

“We create memorable childhood experiences every day...”

Kid Showcase

Aanylah is a 3rd Grader here at Wood KZ. She is always helping others around the site. Aanylah has two younger siblings here at Wood KZ and she always checks in on them when she can. She plays with everyone and always is helping straightening up centers or getting things out that we forget to put out! Aanylah may be one of the quietest kids but she has a great personality and sense of humor!
