FIELD/BALL DIMENSIONS

Field: Bases – 60' Pitching – 40'

Ball: 12" Ball

(Faulty game dimensions will be corrected immediately upon realization – NFHS/ASA rule.)

GAME TIME

- MON & WED 6PM or 7PM and SAT 8AM, 9:30AM, AND/OR 11AM
- Each game will be 6 innings or called by time.
- A game is considered complete at the completion of 3 innings unless time has expired.
- SEE FORFEIT/MINIMUM PLAYER DETAIL if a complete team is not ready at game time.
- Make-up games will ONLY be scheduled if field space and staffing permits.

OFFICIAL TIME

1. The *scorekeeper* will keep the official game time.
2. The game timer will start after the umpire yells, "Batter up" or "Play Ball" to the first batter.

3. The timer will be set for 70 minutes. At the 70 minute mark (the buzzer goes off) the current inning will be finished. The home team is always allowed to have the last bat, unless they are ahead at the conclusion of the visitors last bats. (*The next inning begins at the simultaneous completion of the last out of the previous inning.)
4. Games should average 1.5 hours (90 minutes) each.

FORFEITS/MINIMUM PLAYERS NEEDED

1. Teams must have 8 players to start and continue a game with the following exception.
2. A game may start if one team has at least 7 players. The team with 7 players automatically, if they are not already, becomes the visiting team. For the game to continue the 8th player must arrive prior to 3 outs being achieved, OR 6 runs having been scored, OR in time to bat in the 8th place in the batting order. If the 8th player does not appear, the game is a forfeit and the teams may continue play as part of the 2 inning scrimmage (refer to point #5).
3. If both teams have fewer than eight players the game is a double forfeit.
4. The 8th player and any subsequent players that show up to play can only be inserted at the bottom of the batting order – using the “every player present” batting order.
5. Forfeited games will go in the book as 6-0. Teams will play a **2 inning scrimmage with umpires.** The first inning, every player present will take a turn at bat. The second inning will be played on the 3 out basis.

SCORING

1. TO START EACH GAME, THE FIRST TIME THE VISITORS COME TO BAT, THEY WILL BE ALLOWED A MAXIMUM OF 4 RUNS. ALL TURNS AFTER THAT, INCLUDING THE FIRST TIME THE HOME TEAM COMES TO BAT, THE TEAM WILL BE ALLOWED TO SCORE AS MANY AS IT TAKES TO TIE (the current score) PLUS FOUR (4) RUNS. There is no “continuation rule” for runners coming home after the four-max run is reached. After the fourth run scores (that is: allowing as many runs as it takes to tie plus 4), the other team will come to bat regardless of the number of outs in the inning.
2. Teams are limited to 4 runs per inning after reaching a tie score or if ahead by any number of runs.
3. In the bottom of the last inning the home team only needs to score as many runs as needed to tie plus **1** run.

RUN RULE / RUN LIMITS

Teams ahead by 18 runs, after 3 complete innings OR 60 minutes minimum of play, will be declared the winner and all game activity will end.

TIED GAMES

1. Regular season games tied at the end of 6 innings OR time expires (with the home team completing their last at bats), will be recorded as a tie (count as ½ win).
2. Tied games during tournament games will be governed by tournament rules, TBD later.

BASE RUNNING / STEALING

1. Stealing second, third and home is allowed in 12U Division.

2. Runners are entitled to advance when the ball leaves the pitcher's hand.
3. Penalty for leaving contact with the base early: ball is dead and the base runner is out.
4. The infield fly rule will be in effect (this is still an umpire's judgement call).
5. Pinch/courtesy runners may only be used for an injured player OR, for a catcher when they need to prepare for the next inning. The pinch/courtesy runner will be the player that made the last out.
6. **Drop 3rd strike will NOT be in effect in any 12U National Division, however it will be in effect in the 12U American Division.**

BATTING

1. Any **12U National** team must bat "every player present". Any **12U American** team may decide batting "every player present" OR batting the "strong 9 players". When batting "every player present", unlimited defensive substitution is allowed except for the pitcher. The pitcher may only "re-enter" in the pitching position once. When batting the "strong 9 players", the re-entry rule applies (NFHS).
2. Players arriving after the game starts must be added to the substitutes list if using the "strong 9 players" line up.
3. Using the "every player present" line up, if a player leaves the game due to injury or any other reason and does not return, the position in the batting order is an automatic out. After one turn the vacated position will be passed over with no further penalty.
4. Warm up swings are NEVER PERMITTED inside the dugout.
5. Batting out of order is an appeal play that may be made only by the defensive team. Even though LadyHawks provides an official scorekeeper, it is up to the defensive team to bring any possible "batting out of order" scenario to the attention of the umpire.

PITCHING

1. There shall be allowed only two charged conference per pitcher-per game between the manager or any other team representative from the dugout. A third charged visit per pitcher shall result in the removal of the pitcher.
2. Pitchers removed from the game due to conferences may not return to the pitching position. If a pitcher is substituted between innings, she may return to the pitching position one time only. The pitcher may only "re-enter" in the pitching position once when substituted between innings.
3. Pitchers are allowed to use either the AIA or ASA pitching motion. The AIA pitching rule allows raising the non-pivot foot off the pitching plate and returning it to the plate creating a step back or rocking motion.
4. Pitching warm-up time between innings is 1 minute or 3 pitches for returning pitchers and 5 pitches for new pitchers. This will be strictly enforced.

CATCHERS

1. Catchers must wear all protective gear (chest protector, throat guard, mask and helmet) during the game, during any warm up or during any practice.
2. No player shall receive a throw in the crouch position without wearing full protective gear.
3. Adults may warm-up the pitcher between innings while the catcher is getting ready.

UMPIRES

Any Umpire's decision, which involves judgment, such as whether a hit is fair or foul, whether a pitch is a strike or ball, or whether a runner is safe, or out, is final. If there is a reasonable doubt about some decision being in conflict with the rules, the coach or captain may ask that the correct ruling be made. The Umpire making the decision may ask another Umpire for information before making a final decision. **The use of videotape by game officials for the purpose of making calls or rendering decision is prohibited.**

STANDINGS AND AWARDS

1. League standings will be kept in the spring season.
2. Tournament seeding will be best on best record. In the event of a tie, seeding will be based on who won the game against the tied team. In the event that they both won the same amount of games against each other, seeding will be determined based on defensive runs allowed.
3. There will be a double elimination tournament for each division.
4. **Every team playing in the league must commit to the tournament schedule.**
5. Tournament winners, 1st through 3rd will receive famous City Tempe LadyHawks' t-shirts.
6. Under no circumstances should *coaches* collect money from team families for parties and/or awards.

COACHES NOTES

1. Coaches ejected from a game **must** meet with the recreation coordinator in charge of the program before being allowed to return and resume coaching duties.
2. Any coach choosing to sit on a bucket or stand outside the confines of the dugout does so at their own risk. Coaches must stay within an "arm's length" of their dug out or be subject to ejection.
3. Any coach that has any type of confrontation with umpires; spectators or league representative must meet with League Coordinator before being allowed in the dugout in any consequent games.

GAME NOTES

In order to optimize playing/game time please orient your teams to the following guidelines:

1. There will be 1 minute between half innings.
2. Defensive team gatherings are NOT ALLOWED - the time will come out of the pitchers warm-up minute.
3. Warm-up pitches are LIMITED- see Pitching.
4. Use a courtesy runner for the catcher. Courtesy runner is the player that has the last recorded out.
5. Make an effort to have a coach warm-up the pitcher while the catcher gets ready.
6. The home plate umpire may control repeated offensive and or defensive conferences by a coach to her players, if the umpire thinks time is purposely being wasted. The umpire will first issue a warning, then disqualify (throwing out) the coach/manager. This rule is written to make sure no team tries to run out the game clock out unnecessarily.

PROTEST

1. Protest will not be received or considered if they are based solely on a decision involving the accuracy of judgment on the part of the umpire.
2. There will be no recourse or relief on issues involving the misinterpretation of a playing rule.
3. The leagues will operate with the understanding that players, coaches and umpires can and will make mistakes. In the case of the umpires, we will review the events and use the results to make changes or use them as a teachable moment for the umpires and staff.
4. The expectation of the coaches is that they may make an inquiry about a call. If the question is not resolved to their satisfaction they should drop their concern, continue the game with no further disruption and call the league coordinator within 24 hours of game time.

A FINAL BUT IMPORTANT NOTE:

In the event of any rule question or *cases not covered* in the LadyHawks Softball Guide Handbook, the Recreation Coordinator shall have the authority to institute new rules or to change rules, to maintain the continuity of the "LadyHawks Fast Pitch Softball Program.
