

No materials needed for day one. All material requirements will be discussed in class.

Required Materials

- *One spool of linen book binding thread (Waxed or unwaxed, color is student's preference)
- *Heavy needle (to fit thread)
- X-acto knife and spare blades (ensure blade number matches the handle)
- Pencil and erasure
- 2 sheets Book board, Davey board, or chip board (the back covers of sketch/watercolor pads work for this) 8.5" x 6" minimum

Optional:

- *Bookbinding Awl
- *Curved bookbinding needle
- *Bone Folder
- PVA, PH Neutral Glue

*These items can typically be found online in affordable bookbinding "starter kits."

Additional materials will be provided or requested prior to projects. In cases of economic difficulty, please speak to instructor for supply alternatives.
