Public Works Department – Field Operations Division, Solid Waste Services

On February 20, 2025, the Tempe City Council approved adjustments to solid waste service rates for special events. The new rates became effective April 1, 2025. For more information about the 2024 Solid Waste Rate Study, please visit tempe.gov/UtilityRateStudy.

Standard Service for Materials, Labor and Equipment	Quantity	Rate	Cost	CC Acct:
Under fifty container event mobilization		\$100	\$	
Fifty or more container event mobilization		\$250	\$	
Per 96-gallon recycling and garbage container set		\$28.31	\$	
Front load containers (6 cubic yard recycling container and garbage container set)		\$218.74 per set	\$	
Garbage roll-offs		\$309.80 per pull plus \$31.33/ton	\$	
Recycling roll-offs		\$309.80 per pull	\$	
Solid Waste Services staff will assess recycling container contamination as containers are dumped and weighed. If recycling containers are more than 20 percent contaminated, the following fees will be charged: 1. Contaminated recycling roll-offs 2. Contaminated front load recycling		1. \$309.80 per pull plus \$31.33/ton 2. \$31.33/ton for disposal	\$ \$	
Additional Equipment and Labor Charges Above Standard Service	Hours	Rate per hour	Cost	
Solid Waste Collection Vehicle		\$64.00	\$	
Solid Waste Operator		\$71.00	\$	
Special Dump		\$84.00		
		Total Event Charge	\$	3711 6520
