

**COMMUNITY DEVELOPMENT
BLOCK GRANT (CDBG) &
EMERGENCY SOLUTIONS
GRANTS (ESG)
ANNUAL ACTION PLAN
2022-2023**

City of Tempe, Arizona

Annual Action Plan
2022

Executive Summary

AP-05 Executive Summary - 91.200(c), 91.220(b)

1. Introduction

The City of Tempe's Human Services Department assists low-income communities through the distribution of the Community Development Block Grant (CDBG), Emergency Solutions Grant (ESG), and Home Investment Partnerships Program (HOME) funds. The U.S. Department of Housing and Urban Development (HUD) annually determines the allocation amounts for these programs. To receive these grant funds, the City must submit a five-year Consolidated Plan and an Annual Action Plan to HUD for approval. As an entitlement city, Tempe receives its CDBG funding directly from HUD and the City is a participant in the Maricopa HOME Consortium and receives HOME funds thru the Consortia. The goals of the CDBG, HOME, and ESG programs are to provide decent and affordable rental and owner-occupied housing, provide a suitable living environment for the Area's low- and moderate-income residents, assist people experiencing homelessness or prevent families and individuals from becoming homeless, and provide economic opportunities for low-moderate income residents.

This FY2022 Annual Action Plan represents the City's plan to address affordable housing and homeless needs. The Five-Year Consolidated Plan contains a strategic plan for addressing these needs and a specific one-year action plan for the use HUD formula grant funds. The City's AAP is a one-year plan that describes the activities that the City will fund. It also describes activities that will be undertaken to support needs as described in the Five-Year Consolidated Plan.

The FY 2022 CDBG entitlement is \$1,804,156; \$582,663 for HOME and \$163,121 for ESG. The City Council formally approved the AAP on April 28, 2022.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

The City of Tempe plans to undertake the following specific objectives as identified in the Annual Action Plan:

- Rehabilitate 20 homeowner-occupied or rental units
- Acquisitions of 2 housing units to provide affordable rental housing
- Provide public services activities to support homeless needs
- Provide economic opportunities to business and create jobs.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

The City of Tempe has successfully completed the following activities undertaken last program year.

CDBG PS

- A New Leaf – East Valley Men Center – Assisted 45 individuals
- Maggie’s Place – Elizabeth’s House – Assisted 21 pregnant women
- COT Homeless Solutions Program – Assisted 347 Homeless individuals.

CDBG Housing

- Tempe Coalition for Affordable Housing – Acquisition – The program acquired 2 Duplexes and 1 single family units for affordable rental housing.
- Newtown CDC acquired a parcel to provide affordable rental housing
- COT Emergency Home Repair Program – Assisted 13 low-to-moderate income households with emergency repairs.
- COT Workforce Development – Assisted 196 individuals with employment services.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

The City of Tempe has a thorough and extensive community process that is employed for all projects. The city consistently seeks to include the input of Tempe residents in all phases and aspects of its Community Development initiatives, from the initial planning to project and program implementation to the reporting and assessment of accomplishments. The effectiveness of this process is key in delivering the proper services and programs to the City’s residents, while ensuring that the overall direction of the Human Services Department’s work is consistent with residents’ expectations and is responsive to neighborhood concerns. The city encourages citizen participation in all stages of the planning process. The city is required to submit at the end of each program year, a Consolidated Annual Performance Plan (CAPER) to summarize the accomplishments and the progress made towards the goal established in Five-Year Consolidated Plan.

Due to the recent rise in COVID infection rates, the Tempe City Council returned to virtual meetings but encouraging citizens to participate virtually by having draft copies of the Plan in the city’s website, accepting, and incorporating citizen input and feedback, and holds special hearings whenever any

substantial amendments are made. Notices soliciting public input are placed in the *Arizona Republic*. In addition, a notice inviting input is placed on the city website: <http://www.tempe.gov/housing>. Additional notices inviting public comment and notice of the public hearing are also placed in the Housing Services Department public lobby areas, as well as the public notice kiosks at City Hall. The public is encouraged to submit written comments by e-mail and mail.

Citizen participation is strongly encouraged and includes the following opportunities for input

- 2 public hearings (February 10, 2022, and March 3, 2022)
- 1 public meeting (April 28, 2022)
- 30-day public review/comment period (March 11 – April 11, 2022)

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

No comments were received.

6. Summary of comments or views not accepted and the reasons for not accepting them

No comments were received.

7. Summary

This document was developed through a process that included a significant community engagement component, which included soliciting input from City of Tempe Planning, Economic Development, Transportation, Housing Services which administers the Housing Choice Voucher program, and Tempe Community Council (TCC) which provides human services needs in Tempe.

Additionally, soliciting input from regional organizations including the Maricopa Association of Governments, Maricopa HOME Consortium, and the Continuum of Care focus groups, ESG Funders meetings, workshops, and a public review period. No comments were received from the public during the public review period, which is indicative of the extent to which community involvement was incorporated into the development of the Annual Action Plan.

PR-05 Lead & Responsible Agencies - 91.200(b)

1. Agency/entity responsible for preparing/administering the Consolidated Plan

The following are the agencies/entities responsible for preparing the Consolidated Plan and those responsible for administration of each grant program and funding source.

Agency Role	Name	Department/Agency
CDBG Administrator	TEMPE	Human Services Department
ESG Administrator	TEMPE	Human Services Department

Table 1 – Responsible Agencies

Narrative

The City of Tempe Human Services Department located at 3500 S Rural Road, Suite 202, Tempe, AZ 85252 is the lead and responsible agency for the development of the Annual Action Plan (AAP) for the CDBG and ESG funds.

The Maricopa HOME Consortium located at 234 N. Central, Third Floor, Phoenix, AZ 85004 is the lead agency for HOME funds and for the development of the AAP for HOME funds.

Consolidated Plan Public Contact Information

The contact person for the Consolidated Plan and Action Annual Plan is:

Irma Cain Hollamby, Human Services Deputy Director, Telephone: (480) 858-2264

AP-10 Consultation - 91.100, 91.200(b), 91.215(l)

1. Introduction

The City of Tempe encourages participation in the development of the Annual Action Plan, Five Year Consolidated Plan and Substantial Plan Amendments. These include input from citizens, municipal officials, non-profit agencies, non-profit developers, private developers, governmental agencies, and the Regional Continuum of Care and elected and appointed officials and low-and moderate-income residents that will likely be beneficiaries of the CDBG, ESF and HOME programs. For the 2022 Annual Action Plan, consultation included a combination of meetings with stakeholder interviews, two community input hearings, newspaper advertisements, website announcements, and one public meeting with hearings to solicit comments on the draft Annual Action Plan. Citizen participation is strongly encouraged throughout the processes of short- and long-range departmental planning, and plan implementation. The Annual Action Plan development process is consistent with the City's Citizen Participation Plan, created in compliance with 24 CFR 91.105, and is shared by each of the members of the Maricopa HOME Consortium.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).

The City of Tempe will continue working to enhance coordination between public and assisted housing providers as well as private and governmental health, mental health, and service agencies. This will be accomplished using both formal and informal networks that bring together public, private and nonprofit housing and service providers. These include groups such as the Resident Advisory Board and the Council of the Whole Committee.

Efforts to enhance coordination between public and assisted housing providers and private and government health, mental health, and service agencies includes Tempe Housing Agency Section 8 rental assistance program and other members work closely with applicable local housing authorities to develop strategies to assist housing low income and homeless families. Currently, Tempe has 81 families in the TBRA program.

The city has several successful groups and committees that currently work together to provide an effective delivery system for affordable housing production and services throughout the city. A variety of organizations, including the Housing Authority, Community Development Department, Transportation, Economic Development, Tempe Community Council and nonprofit agencies, routinely collaborate on projects and participate in network meetings.

The city Fair Housing Coordinator is active in initiating educational and outreach programs to further fair housing. As required by HUD, the Community Development Department completed its Fair Housing

Plan, which consists of an Analysis of Impediments to Fair Housing (AI). Tempe plans to address impediments identified in the AI through disbursement of educational materials in different formats, coordinating fair housing presentations during City-wide events, maintaining records, fulfilling reporting requirements and diligently monitoring CDBG subrecipients for fair housing compliance and making supportable referrals to fair housing enforcement agencies.

The city continues to partnered with Tempe Coalition for Affordable Housing, a non-profit agency that provides (a) support the construction of affordable housing for low and moderate income persons, where either limited or no adequate housing exists for such groups, (b) provide and support social service outreach ventures aimed at empowering low and moderate income persons within their communities, (c) support the acquisition, construction, or redevelopment of single and/or multi-family residences, and (d) manage any properties constructed, redeveloped or acquired by the Corporation for the purpose of creating permanently affordable rental housing.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The City of Tempe continues to be an active participant in the regional Continuum of Care (CoC) Activities. The City of Tempe performs a full scope of activities to aid in the coordination of ending homelessness through partnerships with Maricopa County, the State of Arizona, and Federal agencies.

The City of Tempe attends and participates in the Continuum of Care (CoC), a collaborative cross-sector of community stakeholders providing housing, education, health care and supportive services to people experiencing homelessness in Maricopa County. This includes the participation on the Community Standards of Excellence and the Coc's Strategic Plan to End Homelessness. The City of Tempe staff is also involved in the Chronic workgroup that is a part of the Coc's efforts to address the complexities of housing and serving chronically homeless individuals and families. Tempe is actively participating in additional sub-groups of the CoC such as Coordinated Entry, the Outreach Collaborative and Built for Zero a nationally recognized initiative with Community Solutions. The Built for Zero Collaborative is designed to help communities get data driven results for people experiencing homelessness. Community Solutions assists communities through a convening and coaching model and is designed to leverage a dedicated team from Community Solutions, experts from across the country, partners from key federal agencies, and the support of peers to help community leaders end homelessness quickly and measurably.

Additionally, the City of Tempe's General Fund provides additional funding for a local Homeless Outreach Program Effort (HOPE). The HOPE program serves as an access point for the Maricopa County Coordinated Entry System for both singles and families experiencing homelessness. The HOPE team provides a variety of navigation services that include connecting hundreds of unsheltered and often difficult to engage homeless individuals and families to mental health, physical health providers,

emergency hygiene supplies, bus passes, Driver's license, State ID's, move-in kits when housing is located and housing navigation services to locate affordable housing options. The HOPE team can attend veteran and mental health court to advocate on behalf of people experiencing homelessness. The HOPE Team also works directly with the Tempe Police, and Fire Departments as well as local hospitals to engage the high utilizers of emergency services. Through this collaborative effort organized by the City, this endeavor is accomplished by providing housing and support services as an alternate to utilizing expensive emergency response resources. The City of Tempe is also a part of a larger collaborative of housing and services providers that is designed to address the needs of veterans, families, and unaccompanied youth in the community through partnerships and advocacy efforts.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City receives ESG funds and has consulted, and will continue to consult, with the CoC regarding the performance standards for activities funded under the program to discuss the best method to capture data utilizing HMIS. As the ESG program progresses annually, performance standards will be developed and revised based on the needs of the community and regulatory guidance. The City of Tempe participates and contributes to ESG Subcommittee meetings to help determine priorities. Through the participation with the Committee and Board meetings, the City of Tempe has provided input into the regional performance standards of excellence, and the Regional Plan to End Homelessness.

Other local/regional/state/federal planning efforts considered when preparing the Plan

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Continuum of Care	MAG	The City of Tempe's goals and objectives align with the regional Continuum of Care's plan.
Analysis of Impediments to Fair Housing Choice	City of Tempe	Tempe seeks to reduce impediments to fair housing choice for citizens by aligning its Fair Housing efforts with recommendations made in AI

Table 3 - Other local / regional / federal planning efforts

Narrative

The collaboration between the City, local jurisdictions, and the housing authority is expected to continue to solidify and work together throughout the years. This continued collaboration assists the city and local jurisdictions to align services efficiently to eliminate gaps in services and reach hard to serve populations on the local and regional level.

AP-12 Participation - 91.401, 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

The Citizen Participation Plan provides policies and procedures that assure that the public has adequate notice and opportunities to provide input into the development of the Annual Action Plan. The City of Tempe has a thorough and extensive community process that is employed for all projects. The City consistently seeks to include the input of Tempe residents in all phases and aspects of its Community Development initiatives, from the initial planning, to project and program implementation to the reporting and assessment of accomplishments. The effectiveness of this process is key in delivering the proper services and programs to the City's residents, while ensuring that the overall direction of the Human Services Department's work is consistent with residents' expectations and is responsive to neighborhood concerns. The City encourages citizen participation in all stages of the planning process. From the drafting of the Consolidated Plan to the filing of the annual Performance Evaluation Report the City hosts Public Meetings, provides draft copies of the Plan before submission, accepts and incorporates citizen input and feedback, and holds special hearings whenever any substantial amendments are made. Notices soliciting public input are placed in the *Arizona Republic*. In addition, a notice inviting input is placed on the City website: <http://www.tempe.gov/city-hall/human-services/housing-services/public-notices-and-plans>. Additional notices inviting public comment and notice of the public hearing are also placed in the Housing Department public lobby areas, as well as the public notice kiosks at City Hall. The public is encouraged to submit written comments by e-mail and mail.

Citizen participation is strongly encouraged and includes the following opportunities for input:

- 2 public hearings (February 10, 2022, and March 3, 2022)
- 1 public meeting (April 28, 2022)
- 30 public review/comment period (March 11 – April 11, 2022)

Expected Resources

AP-15 Expected Resources - 91.420(b), 91.220(c)(1,2)

Introduction

The resources shown below are solely derived from estimated annual CDBG and ESG resources during the planning period.

Anticipated Resources

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of ConPlan \$	Narrative Description
			Annual Allocation: \$	Program Income: \$	Prior Year Resources: \$	Total: \$		
CDBG	public - federal	Acquisition Admin and Planning Economic Development Housing Public Improvements Public Services	1,804,156	0	0	1,804,156	3,608,312	Expected resources equal the 3rd year CDBG funding and no Program Income anticipated.

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of ConPlan \$	Narrative Description
			Annual Allocation: \$	Program Income: \$	Prior Year Resources: \$	Total: \$		
ESG	public - federal	Conversion and rehab for transitional housing Financial Assistance Overnight shelter Rapid re-housing (rental assistance) Rental Assistance Services Transitional housing	163,121	0	0	163,121	326,242	Expected resources equal the 3rd year ESG and program year resources with no program income anticipated.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

City of Tempe General Fund

For FY 2022 the City anticipates contributing approximately \$1.2 million in resources thru Tempe Community Council from its general fund and from citizen donations through their water bill to assist over 63 nonprofit agencies that provide services to: homeless and domestic violence shelters, programs designed to assist the working poor and those individuals with disabilities and programs designed to assist youth and seniors.

Private Lenders

Local private lenders provide acquisition, rehabilitation and construction loans to Tempe's non-profit partners who produce affordable housing projects.

The City will use the ESG funds for the City's homeless prevention activities and to fund shelter operational costs for homeless service activities. The 100% required ESG match is provided by city.

The matching requirements for the HOME program are satisfied, the City of Tempe has maintained a HOME match log since the inception of the HOME program. This log documents specific projects and identifies the date and amount of HOME dollars expended, the amount of match liability incurred, the value of a match contribution, the type of match and the date that it was recognized. The log maintains a running tally of recognized match contributions and allows the banking of match in excess of the required amounts associated with yearly disbursements. Such yearly disbursements are captured in the IDIS PR33 report and compared against the match log to ensure that ample match is available to satisfy the required 25% each year.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The City will work with Tempe Coalition of affordable housing, and non-profit housing providers and CHDOs to redirect vacant lots created by the program for use for affordable housing.

Discussion

The City has programmed approximately \$2 million from the CDBG and ESG program and program income for the FY 2022 program year. This sum included the CDBG and ESG annual allocation, program income, and programmed funds from previous program years. These funds will be used to operate a range of private and public services as described later in the Annual Action Plan.

Annual Goals and Objectives

AP-20 Annual Goals and Objectives - 91.420, 91.220(c)(3)&(e)

Goals Summary Information

Sort Order	Goal Name	Start Year	End Year	Category	Geographic Area	Needs Addressed	Funding	Goal Outcome Indicator
1	Foster Housing Quality By Housing Rehabilitation	2020	2024	Affordable Housing	Citywide	Affordable Rehabilitation Housing Aid.	CDBG: \$378,393	Homeowner Housing Rehabilitated: 20 Household Housing Unit
2	Expand Affordable Rental Housing In Tempe	2020	2024	Affordable Housing	Citywide	Affordable Rental Housing Acquisition.	CDBG: \$824,932	Rental units rehabilitated: 5 Household Housing Unit
3	Strengthen Homeless Shelter & Services Support	2020	2024	Homeless	Citywide	Homeless Shelter Support. Eviction Intervention & Rapid Re-housing.	CDBG: \$190,000 ESG: \$85,000	Homeless Person Overnight Shelter: 121 Persons Assisted Homelessness Prevention: 15 Persons Assisted
4	Foster Economic Development.	2020	2024	Non-Housing Community Development	Citywide	Employment Assistance Support. Technical Assistance & Small Business Loans.	CDBG: \$50,000	Jobs created/retained: 5 Jobs Businesses assisted: 5 Businesses Assisted
5	Homeless Prevention/Eviction Intervention.	2020	2024	Affordable Housing	Citywide	Eviction Intervention & Rapid Re-housing.	ESG: \$65,807	Homeless Person Overnight Shelter: 13 Persons Assisted Homelessness Prevention: 13 Persons Assisted

Table 6 – Goals Summary

Goal Descriptions

1	Goal Name	Foster Housing Quality By Housing Rehabilitation
	Goal Description	Relates to COT Home Repair Program.
2	Goal Name	Expand Affordable Rental Housing In Tempe
	Goal Description	Relates to COT Acquisition of Affordable Rental Housing.
3	Goal Name	Strengthen Homeless Shelter & Services Support
	Goal Description	Relates to COT Homeless Shelter Support and homeless prevention.
4	Goal Name	Foster Economic Development.
	Goal Description	Provide economic development opportunities to low-income neighborhoods.
5	Goal Name	Homeless Prevention/Eviction Intervention.
	Goal Description	The Homeless Prevention Program will assist families and individuals to retain housing through short-medium term rental assistance and case management to prevent moving into an emergency shelter. The Rapid Re-Housing Program will assist individual or families living in a shelter or other place as indicated in the homeless definition move into permanent housing. Assistance will consist of short-term and medium-term rental assistance, rental arrears, rental application fees, security deposits, advance payments of last's month rent, utility deposits, moving costs, housing search and placement, housing stability case management, mediation, legal services, and credit repair.

AP-35 Projects - 91.420, 91.220(d)

Introduction

The FY 2022 Action Plan for Community Development Block Grant (CDBG) and Emergency Solutions Grant (ESG) represents the third year of the City of Tempe’s Five-Year Consolidated Plan. Each project that is approved for funding relates to the needs and priorities addressed in the Five-Year Consolidated Plan.

#	Project Name
1	COT Emergency Home Repair Program
2	COT -Workforce Development
3	COT Temporary Housing Shelter Options - Operations
4	CDBG Program Administration
5	Acquisition - Affordable Rental Housing
6	ESG22 Tempe

Table 7 – Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The city continues to make efforts to address the identified needs despite the lack of financial resources at the federal, state and local levels requires the City to focus its funding on the activities of highest priority. Housing market conditions related to demand and supply of both rental and homeownership, as well as the availability of affordable housing, also determined the use of housing-related funding such as HOME Consortium allocations. The amount of available funding is simply not adequate to meet the demand based on applications received by the City. The fact that many low and moderate-income households are cost burdened or severely cost burdened (spending more than 30% or 50% respectively of their income on housing expense) also remains an obstacle to addressing the underserved. The City is challenged to develop and implement a well-coordinated and integrated outcome-driven service delivery system that meet the City’s housing and community development needs and goals.

AP-38 Project Summary

Project Summary Information

1	Project Name	COT Emergency Home Repair Program
	Target Area	Citywide
	Goals Supported	Foster Housing Quality By Housing Rehabilitation
	Needs Addressed	Affordable Rehabilitation Housing Aid.
	Funding	CDBG: \$378,393
	Description	COT Emergency Home Repair will provide home repair assistance to correct health and safety deficiencies and provide decent, safe and sanitary housing to low-to-moderate-income owner-occupied households in Tempe. (Housing)
	Target Date	6/30/2023
	Estimate the number and type of families that will benefit from the proposed activities	20 Households
	Location Description	City wide
	Planned Activities	Emergency Home Repairs to low-to-moderate-income owner-occupied households in Tempe.
2	Project Name	COT -Workforce Development
	Target Area	Citywide
	Goals Supported	Foster Economic Development.
	Needs Addressed	Technical Assistance & Small Business Loans.
	Funding	CDBG: \$50,000
	Description	COT Workforce Development program will enhance economic opportunities in LMI neighborhoods by providing technical assistance with the goal of creating jobs to LMI Tempe residents. (Economic Development)
	Target Date	6/30/2023
	Estimate the number and type of families that will benefit from the proposed activities	5 jobs created 5 Businesses

	Location Description	City wide
	Planned Activities	COT Workforce Development will provide professional services to low-to-moderate income Tempe residents to create and retained jobs.
3	Project Name	COT Temporary Housing Shelter Options - Operations
	Target Area	Citywide
	Goals Supported	Strengthen Homeless Shelter & Services Support
	Needs Addressed	Homeless Shelter Support.
	Funding	CDBG: \$190,000
	Description	The program will provide non-congregate shelter and supportive services to transition into permanent housing (PS)
	Target Date	6/30/2023
	Estimate the number and type of families that will benefit from the proposed activities	90 homeless individuals
	Location Description	City wide
	Planned Activities	Provide non-congregate shelter and supportive services to individuals who are experiencing homelessness and those who are at risk. The funds will pay for the operation of the shelter.
4	Project Name	CDBG Program Administration
	Target Area	Citywide
	Goals Supported	Expand Affordable Rental Housing in Tempe Foster Housing Quality By Housing Rehabilitation Strengthen Homeless Shelter & Services Support Homeless Prevention/Eviction Intervention. Foster Economic Development.
	Needs Addressed	Affordable Rental Housing Assistance for Tenants. Affordable Rental Housing Acquisition. Affordable Rehabilitation Housing Aid. Homeless Shelter Support. Homeless Outreach. Eviction Intervention & Rapid Re-housing. Employment Assistance Support. Technical Assistance & Small Business Loans.
	Funding	CDBG: \$360,831

	Description	Administration of the CDBG Program.
	Target Date	6/30/2023
	Estimate the number and type of families that will benefit from the proposed activities	
	Location Description	
	Planned Activities	
5	Project Name	Acquisition - Affordable Rental Housing
	Target Area	Citywide
	Goals Supported	Expand Affordable Rental Housing in Tempe
	Needs Addressed	Affordable Rental Housing Acquisition.
	Funding	CDBG: \$824,932
	Description	Acquisition of properties to create affordable housing. Tempe has partnered with Tempe Coalition for Affordable Housing, a non-profit corporation established in 2018 and other agencies to (a) support construction of affordable housing for low-to-moderate income persons, (b)provide and support social services outreach ventures aimed at empowering low-and-moderate income persons with their communities, (c)support the acquisition, construction, or redevelopment of single and/or multi-family residences, and (d)manage any properties constructed, redeveloped or acquired by the Corporation for the purpose of creating permanently affordable rental housing. (Housing)
	Target Date	6/30/2023
	Estimate the number and type of families that will benefit from the proposed activities	5 Housing units.
	Location Description	City wide
	Planned Activities	Create affordable rental housing for low-to-moderate income households.
6	Project Name	ESG22 Tempe
	Target Area	Citywide
	Goals Supported	Strengthen Homeless Shelter & Services Support Homeless Prevention/Eviction Intervention.

Needs Addressed	Homeless Shelter Support. Eviction Intervention & Rapid Re-housing.
Funding	ESG: \$163,121
Description	ESG PY2022 (Total of \$163,121): Activities will be Homeless Prevention (\$65,887), Shelter (\$85,000), and Administration (\$12,234).
Target Date	
Estimate the number and type of families that will benefit from the proposed activities	25 homeless individuals.
Location Description	
Planned Activities	Shelter, Homeless Prevention and Program Administration.

AP-50 Geographic Distribution - 91.420, 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

Pursuant to the specific projects identified in AP-35, the commitment of CDBG and ESG resources shall be based on low- and moderate- income requirements of clients assisted, special needs and homeless persons. The City of Tempe has elected not to allocate resources geographically but instead based on client eligibility under the CDBG and ESG programs.

Geographic Distribution

Target Area	Percentage of Funds
CDBG Eligible Areas	

Table 8 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

The City of Tempe has elected not to allocate resources geographically but instead based on client eligibility under the CDBG and ESG program.

Discussion

The City of Tempe has elected not to allocate resources geographically but instead based on client eligibility under the CDBG and ESG program. Refer to SP-10 of the FY 2020-FY 2024 Tempe Consolidated Plan for eligible CDBG geographic areas.

AP-65 Homeless and Other Special Needs Activities - 91.420, 91.220(i)

Introduction

The goals and actions to reduce and end homelessness are through the following strategies, hiring additional homeless outreach workers, increase emergency shelter, and provide additional housing options. Through outreach we will have additional staff to address the growing needs of the community. Each staff has a specialized area of training such as homeless youth 18-24, mental illness and veterans and are all certified Behavioral Health Technicians (BHT) with 60% having lived experience. The increase for emergency shelter options allows for diverse populations to be served in a stable environment and assists the outreach worker by addressing all the people experiencing homelessness not just a specialty population. With additional shelter it allows the team to engage someone and get them ready for housing by obtaining photo ID, Birth certificates, Social Security card and conducting housing assessments for permanent housing options through coordinated entry and Tempe Housing Services. These are all a part of the larger strategy through:

1. Increase dedicated homeless outreach in city parks
2. Ensure 24/7 mental health and substance use response and support
3. Enhance park and desert preserve maintenance and cleanup efforts
4. Communicate results and provide opportunities for neighborhood engagement
5. Refine park security through G4S deployment
6. Provide necessary shelter and housing strategies for those experiencing homelessness

Tempe will be using HOME funds to provide TBRA to families directly affected by COVID-19 up to 10,000 or 6 months of assistance.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The homeless outreach team, HOPE provides outreach and supportive services to unsheltered individuals in the city of Tempe. Each Outreach Specialist completes a housing assessment and reports that information into the Homeless Management Information System (HMIS). HMIS is used throughout Maricopa County to share information between homeless service providers regarding people experiencing homelessness. Once people are assessed for services, the outreach team determines the best solution to address their needs. They will assist also with obtaining birth certificates, photo ID, social security cards and work on housing solutions to end their homelessness.

Addressing the emergency shelter and transitional housing needs of homeless persons

City of Tempe created congregate and non-congregate shelter in the beginning of the pandemic beginning in April of 2020 partnering with Maricopa County Human Services Department and other local non-profits. Tempe has expanded shelter availability to 55 rooms with a max capacity of 110 individuals. This shelter option is a way to serve multiple populations at one location such as families with children, single men and women including people with pets. The stability of shelter allows for supportive services and with greater success to transition to a permanent housing solution.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

In Maricopa County there is a waiting list for family shelter that can sometimes be up to six weeks. Tempe has also created emergency units that are fully furnished apartments where they allow families experiencing homelessness supportive services and a safe place until they are called for family shelter in the community. This model creates additional family shelter capacity throughout the entire community. This allows supportive services to obtain necessary documents to assist someone when they are ready for housing or come up to the top of a waiting list for housing. They connect with the homeless school liaison to ensure children stay enrolled in school and have the resources they need to be successful. Human services also has scholarships for families experiencing homelessness for child care so the parents can work or go job hunting if their children are not of school age. The ability to connect the family with a local job bank and partnership with Arizona at Work allows for greater self-sufficiency and less likely to return to homelessness.

Helping low-income individuals and families avoid becoming homeless, especially extremely

low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions) or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

In addition to the items noted above, the city of Tempe has a Mental Health Court that assist people who are mentally ill and are experiencing homelessness with housing and supportive services when they are exiting jail. They can provide them with shelter, enroll in health care, food stamps and other services to reduce the likely hood of returning to jail. Some of those things includes reconnecting them to their behavioral health clinic and getting them stabilized on their medications. Human Services works closely with other departments within the city like Tempe PD, the City Prosecutors office and probation to offer alternatives to jail. We can also offer Tenant Based Rental Assistance to allow them to have a safe place to live.

Discussion

Tempe will continue to render aggressive homeless outreach and navigation services, a variety of targeted public services, TBRA rental support for 'at-risk' low-income households, and specific support to the EVMC (east Valley Men's Shelter) as well of the Homeless Prevention Program that will assist individuals with maintain or regaining permanent housing through rental assistance and other essential services financed with new, ESG resources. The Homeless Prevention Program will assist families and individuals to retain housing through short-medium term rental assistance and case management to prevent moving into an emergency shelter.

AP-75 Barriers to affordable housing -91.420, 91.220(j)

Introduction

The city utilized several different sources of funds to accomplish planned goals during the program year including CDBG, ESG, HOME and the City's general funds to address some of the barriers to affordable Housing. The city also continues to have a strong relationship with Tempe's Coalition of Affordable Housing, Inc to successfully increase the number of permanently affordable rental units.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The city will continue to work to reduce the resource gap by aggressively seeking out additional federal, state and private resources to support its affordable housing priorities. The City will work to eliminate any regulatory gaps by working with federal and other agencies to identify problems and, where appropriate, to seek refinements or waivers of regulations that impede efficient affordable housing production.

Discussion

The city will continue to preserve affordable housing and increase the affordable housing stock for households with income at 30 % to 80% AMI by implementing or funding the following activities:

- Utilize CDBG funding for the emergency rehabilitation of owner-occupied housing units;
- Address accessibility barriers for elderly and persons with disabilities;
- Continue to provide rental assistance to low income households through the Housing Choice Voucher program;
- Continue to increase affordable housing units based on Tempe's Affordable Housing Strategy (AHS) plan and in collaboration with Tempe's Coalition of Affordable Housing, Inc.
- Provide financial assistance to households facing eviction with emergency rental assistance thru the Homeless Prevention and TBRA programs.

AP-85 Other Actions - 91.420, 91.220(k)

Introduction

The City currently provides a variety of services to the residents of Tempe, some funded by CDBG and HOME allocations, with private and City funding bringing additional assets to bear on these problems. Below are some of the actions currently performed by the City or under consideration for the future.

Actions planned to address obstacles to meeting underserved needs

The City will continue to look for new funding sources for programs to address underserved needs. Funding is the major obstacle in providing the services needed to focus on the vast variety of issues that prevent families from breaking out of poverty and from living in the best, most affordable housing possible.

Actions planned to foster and maintain affordable housing

When possible and appropriate opportunities exist, the City may explore providing financial assistance for Tax Credit Projects for affordable housing development to expand multi-family rental development projects and homeownership opportunities. Additionally, acquisition, soft costs and site development funds may be used for affordable housing development. Consideration for additional funding may be given upon completion of the pre-development phase. Continue to allocate HOME funds to the Tenant Based Rental Assistance (TBRA) Program that helps families to maintain their housing situations; the TBRA would act as a bridge to Housing Choice Vouchers or other permanent housing after two years.

Actions planned to reduce lead-based paint hazards

Actions planned to reduce lead-based paint hazards include but are not limited to:

- Continue to meet HUD lead-based paint abatement standards in housing rehabilitation programs.
- Seek additional funding as it becomes available to provide testing and abatement of lead-based paint hazards in single-family housing where young children are present.
- Expand the stock of lead safe housing units through housing initiatives.

Actions planned to reduce the number of poverty-level families

Actions planned to reduce the number of poverty-level families include but are not limited to:

The City will continue its efforts in conjunction with the Continuum of Care and the Tempe Rental Assistance program to reduce the number of poverty-level families through the development of services needed to assist those families with educational opportunities, job growth, and life skills training

through the various social service agencies operating in the city.

Actions planned to develop institutional structure

Actions planned to develop institutional structure include but are not limited to:

- Work with non-profit organizations to address community needs and provide support to federal and non-federal funding initiatives.
- Work with private industry to address important issues that hamper housing and community development efforts.
- Identify opportunities to create private/public partnerships for project finance and development to leverage federal funds.

Actions planned to enhance coordination between public and private housing and social service agencies

The City will continue to coordinate planning activities with private housing and social service agencies, including participation in the MAG Continuum of Care meetings, development of the Continuum of Care, and enumeration of point-in-time and homeless surveys. City staff will also continue its participation in other coalitions and study groups as the opportunity arises.

Discussion

The actions are primarily the continuation of prior city policies/programs. No major obstacles in the institutional structure have been identified that need to be addressed. The City is also satisfied with its efforts to coordinate with private housing and social service agencies.

Program Specific Requirements

AP-90 Program Specific Requirements - 91.420, 91.220(I)(1,2,4)

Introduction

The following provides details on program specific requirements for the CDBG.

Community Development Block Grant Program (CDBG) Reference 24 CFR 91.220(I)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
Total Program Income:	0

Other CDBG Requirements

1. The amount of urgent need activities	0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan.	100.00%

**Emergency Solutions Grant (ESG)
Reference 91.220(l)(4)**

1. Include written standards for providing ESG assistance (may include as attachment)

The City of Tempe requires that subrecipients develop written standards that are consistently applied within the agencies' programs. ESG subrecipients must conduct an initial evaluation to determine the eligibility of each individual or family seeking ESG assistance. The eligibility determination is conducted during the intake process and the amount and types of assistance the individual or family needs to regain stability in permanent housing are determined. Subrecipients utilize the HUD published income limits that are updated annually to determine income eligibility for program participation. Documentation is collected to show that the participants lack sufficient resources to remain in his/her home or enter new housing without ESG assistance. If there are changes in the income of the program participants, subrecipients are required to re-evaluate the eligibility and needs of the households. The City has a program policies and procedures which is used to guide its programs. ESG standards are provided to service providers. The city will continue to work with the Continuum of Care and the ESG Collaboration Work Group to standardize the contracting, eligibility determination and reporting documentation for the ESG program. The Maricopa Association of Governments (MAG) and Maricopa County Human Services are jointly leading the group's efforts. The ESG Collaboration Work Group also includes the State of Arizona; the cities of Phoenix, Mesa and Glendale; Valley of the Sun United Way, and Solari Crisis Response Network.

2. If the Continuum of Care has established centralized or coordinated assessment system that meets HUD requirements, describe that centralized or coordinated assessment system.

The Maricopa Association of Governments (MAG) administers the regional Continuum of Care. According to the MAG CoC Regional Committee on Homelessness Governance Charter and Operating Policies, the CoC approved the Service Prioritization Decision Assessment Tool (SPDAT) and the Family SPDAT as the region's common assessment tool. The tool was developed in collaboration with municipalities, homeless services providers, and funders. The goal of the Coordinated Assessment System is to end homelessness quickly and effectively by following a housing first approach. The assessment system provides multiple access points throughout the region, streamlines the referral process, and prioritizes individuals and families with the highest level of needs. The CoC is currently implementing the coordinated assessment system.

HMIS is an electronic data collection system that facilitates the collection of information on persons who are homeless or at risk of becoming homeless. The HMIS is being coordinated through the Maricopa CoC. ESG subrecipients are required to report program participant-level data such as the number of persons served and their demographic information in the HMIS database, in accordance

with HUD published HMIS and data standards, and other community standards as may be adopted by the City and/or the CoC.

3. Identify the process for making sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).

The City of Tempe Human Services Division has an established process for accepting competitive applications from non-profit organizations thru Zoomgrants website, the city reviews the applications using a systematic tool assessment to recommend the activities that are eligible under the ESG program. The City Council has final approval of these allocations.

4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions regarding facilities and services funded under ESG.

The Continuum of Care is governed by a Board, which is the decision-making body for the CoC, and receives input from CoC committees including the CoC Regional Committee on Homelessness. The City participates in the CoC Regional Committee on Homelessness.

5. Describe performance standards for evaluating ESG.

The City will evaluate performance under the ESG program primarily by tracking beneficiaries assisted with homeless prevention or rapid re-housing dollars, and individuals and families provided with emergency shelter. The City will also use the timely distribution of funds as a performance standard. Program outcomes will be reported in the Consolidated Annual Performance Evaluation Report (CAPER). The City will monitor ESG subrecipients to ensure that funds have been spent on eligible costs and that the program regulations and requirements have been met. The City will also consult with the CoC on meeting regional goals to end homelessness as identified in the Ten-Year Plan to End Homelessness. The ESG program requires that the City must provide a 100% match from other sources. The City shall ensure that match amounts including other grants, cash, general funds, in kind services/costs are tracked and documented for both its own operations and the operations of its subrecipients under the program

Discussion

The City of Tempe has no funding returning from any of the above-mentioned sources. The City of Tempe is currently making principal and interest payments on a Section 108 loan originated in 2005 for economic development endeavors associated with the Tempe Market Place.

In 2021, principal and interest payments of \$509,380 will be made. The current principal balance of the 108 loan is approximately \$2.1 million.
